She informed the Board that the decision has not yet been implemented because it has been called-in by 3 non-Executive members, as per the Council's Constitutional arrangements.

The Chairman explained how the meeting would proceed and that it would essentially be held in two parts: a section of the meeting would be held in public to deal with issues that could be discussed in public session and then would follow a part of the meeting where press and public would be excluded in order to deal with matters of a confidential nature.

## 6. CALL-IN OF EXECUTIVE DECISION NO. 1855: TRAFFIC MANAGEMENT

The Board considered a report by the Head of Democratic Services which outlined the reasons given for the call-in of the Executive Decision regarding the Traffic Management Agency Agreement. The report highlighted that a number of reasons given for the call-in were matters for consideration in public, whilst others were confidential items. A number of appendices were attached to the report to further assist the Scrutiny Board in its review of the decision, all of which contained exempt information as defined in Paragraph 3 of part 1 of Schedule 12A of the Local Government Act 1972.

At the invitation of the Chairman, Councillor R H Price, JP, the representative of the call-in, was invited to present the publicly available reasons he had given for the call-in.

At the invitation of the Chairman, Councillor Cunningham, a representative of the call-in was invited to present the publicly available reasons he had given for the call-in.

At the invitation of the Chairman, the Executive Leader Councillor S D T Woodward was called upon to advise the Scrutiny Board of the elements taken into account by the Executive before making its decision. The Executive Leader then answered questions put to him on the matters for discussion in public by members of the Scrutiny Board.

The Executive member was thanked for his answers and was advised that he was no longer required at the meeting.

At this point, the Chairman moved that as the matters for public session had been dealt with, the meeting temporarily go into private session to allow the confidential items to be discussed.

RESOLVED that in accordance with the Local Government Act 1972 the Public and Press be excluded from this section of the meeting on the grounds that the matters to be dealt with involve the likely disclosure of exempt information, as defined in Paragraph 3 of Part 1 of Schedule 12A of the Local Government Act 1972.

## **Private Session**

The Director of Operations answered questions put to him on the confidential items by member of the Scrutiny Board.

At this point, the meeting moved back into **Public Session**.

The Chairman confirmed that having considered all the reason given for the call-in, the Scrutiny Board now had to consider its options as set out in the report, that being either:

- (a) to accept the decision made by the Executive, in which case the decision can be implemented; or
- (b) to request that the Executive reconsiders the decision, giving reasons for such a request.

A motion was proposed and seconded to request that the Executive reconsider their decision and specifically:

- 1) to explore further funding options in order to keep the service at Fareham Borough Council; and
- 2) to negotiate with Hampshire County Council to retain the current criteria for the issuing of Traffic Regulation Orders.

Upon being put to the vote, the motion was declared NOT CARRIED (2 members voting in favour; 6 against and 1 abstention)

other authorities and whether it would change with changes to the economic climate. The Management and Financial Accounting Manager explained that the 5% figure is a suggested figure from CIPFA, however it is responsibility of each authorities Section 151 Officer to determine the level set. He explained that at present they are comfortable that the 5% level was appropriate for Fareham. In regards to changes in the economic climate, this is something that is monitored and should there be a major change then the level could be revisited.

A question was raised regarding the Housing Capital budget and why this did not feature in the report. The Director of Finance and Resources informed the Board that the Medium Term Finance Strategy is for the General Fund, and that the housing capital programme would form part of the Housing Revenue Account which is separate to this.

It was AGREED that the Board:-

- (a) note the content of the report; and
- (b) agree that they have no comments on the Medium Term Finance Strategy that the Executive need to consider.

# Report to Scrutiny Board

Date 12 January 2016

Report of: Director of Finance and Resources

Subject: FINANCE STRATEGY, CAPITAL PROGRAMME, REVENUE

**BUDGET AND COUNCIL TAX 2017/18** 

## **SUMMARY**

The Scrutiny Board is asked to consider and review the Executive's proposals for the overall capital programme and revenue budget for 2017/18. The Director of Finance and Resources will refer any proposals or comments of the Board to the Executive meeting on 6 February 2016.

## **RECOMMENDATION**

That any proposals or comments of the Board be referred to the Executive at its meeting on 6 February 2016

## INTRODUCTION

- On 9 January 2017, the Executive reviewed the Council's finance strategy, and considered the capital and revenue items to be included in the revised budgets for 2016/17, the budget for 2017/18 and beyond, as well as the implications for the council tax in 2017/18. A copy of this report is attached as Appendix A, for information.
- 2. Members considered a number of options, which could allow a balanced budget to be achieved, and the following decisions were taken:-
  - (a) that the capital programme for the period 2016/17 2020/21, amounting to £65,686,000 as set out at Appendix A to the report be approved;
  - (b) that the proposed fees and charges for 2017/18, as set out in Appendix B to the report be approved;
  - (c) that the revised 2016/17 general fund budget, amounting to £8,903,300 be approved;
  - (d) that the base 2017/18 general fund revenue budget amounting to £8,616,700 be approved; and
  - (e) that the use of the surplus on the spending reserve as set out in paragraphs 49-51 be approved.
- 3. A report will be submitted to the Executive on 6 February 2017. This report seeks final confirmation for the spending plans, together with recommendations for Full Council to consider on 24 February 2017 and officers will provide a verbal update on these to members of the Scrutiny Board on 12 January 2017.
- 4. Any comments or proposals that the Scrutiny Board may wish to submit will be considered by the Executive on 6 February 2016.

## **RISK ASSESSMENT**

- 5. While all spending plans can be met from within existing resources, growing financial pressures increase the risk that spending plans exceed desirable levels.
- 6. Also, the budget reflects the implications of the changing funding position from central Government as well as other more local budget pressures. These changes will continue to affect the Council's finances and it remains an important part of the overall Medium Term Finance Strategy to retain sufficient balances to cater for the unexpected in these uncertain times.
- 7. The council should continue to explore opportunities to increase income sources for the Council as well as review efficiency plans in order that balanced budgets can be made in future years.

## CONCLUSION

8. The Board is asked to review the proposals and consider whether it wishes to submit comments for consideration by the Executive.

Portfolio: Policy and Resources

Subject: Finance Strategy, Capital Programme, Revenue

**Budget and Council Tax 2017/18** 

**Report of:** Director of Finance and Resources

**Strategy/Policy:** Finance Strategy 2017/18

**Corporate Objective:** A dynamic, prudent and progressive Council

## Purpose:

This report reviews the Council's finance strategy and makes recommendations regarding the capital programme, the revised revenue budget for 2016/17, the fees and charges and the revenue budget for 2017/18.

## **Executive summary:**

This report gives the Executive the opportunity to consider the Council's capital programme, revised service budget for 2016/17, fees and charges for 2017/18 and proposed service budgets for 2017/18.

## Capital Programme and Resources 2016/17 to 2020/21

The revised capital programme amounts to £65,686,000, and there are capital resources totalling £67,764,000 over the programme period. Whilst a surplus of capital resources exists, there are likely to be emerging spending requirements that require new resources to be accumulated now so that the Council can meet its future commitments.

## Revised General Fund Revenue Budget 2016/17

The revised general fund revenue budget for 2016/17 amounts to £12,388,300 for service budgets with other budgets totalling -£3,485,000 giving an overall position of £8,903,300 which shows no change from the base budget for 2016/17.

## General Fund Revenue Budget 2017/18

The proposed general fund budget for 2017/18 totals £11,800,700 for service budgets along with -£3,184,000 for other budgets giving an overall position of £8,616,700 which is a reduction of £286,600 against the original budget for 2016/17.

## **Recommendation/Recommended Option:**

That the Executive agrees:

- (a) that the capital programme for the period 2016/17 to 2020/21, amounting to £65,686,000 as set out at Appendix A to the report be approved;
- (b) that the proposed fees and charges for 2017/18, as set out in Appendix B to the report be approved;
- (c) that the revised 2016/17 general fund budget, amounting to £8,903,300 be approved;
- (d) that the base 2017/18 general fund revenue budget amounting to £8,616,700 be approved; and
- (e) that the use of the surplus on the spending reserve as set out in paragraphs 49-51 be approved.

## Reason:

The Council has a co-ordinated strategic, service and financial planning process and this report brings together the spending plans for the Council's services for 2017/18 and will allow the Council to approve the capital programme, general fund revised revenue budget for 2016/17, fees and charges for 2017/18 and draft revenue budget for 2017/18.

## **Cost of proposals:**

As detailed in the briefing paper contained in the report.

Appendices: A: Capital Programme 2016/17 to 2020/21

| Subject:     | Finance Strategy, Capital Programme, Revenue Budget and Council Tax 2017/18 |
| Briefing by: | Director of Finance and Resources   |
| Portfolio:   | Policy and Resources  |

#### INTRODUCTION

- 1. This report brings together the revenue and capital spending plans for the Council's local service agreements, as part of the Council's co-ordinated strategic, service and financial planning process.
- 2. The finance strategy was considered in October 2016, in advance of the budget process. The Finance Strategy reviewed the Council's overall financial position, taking into the following fundamental principles:
  - Resources
  - Capital Expenditure
  - Revenue Expenditure
  - Transparency and Openness
  - Partnership Working
- 3. It is against this background that the budget setting principles for the forthcoming financial year were agreed.
- 4. This report provides a further update to the Council's overall financial position in the light of the updated capital programme and the approved service budgets and allows the ability to accommodate new revenue and capital spending plans to be considered.

## **GENERAL FUND CAPITAL PROGRAMME**

- 5. The General Fund capital programme for the period 2016/17 to 2020/21 has been revised to take account of new schemes and re-phased schemes.
- 6. The programme now totals £65,686,000 and is summarised in the following table with the details set out in Appendix A:

|                        | 2016/17 | 2017/18 | 2018/19 | 2019/20 | 2020/21 | Total  |

| Leisure & Community    | 5,407   | 797     | 120     | 0       | 513     | 6,837  |
| Health & Housing       | 1,118   | 3,619   | 480     | 480     | 550     | 6,247  |
| Planning & Development | 478     | 13      | 13      | 14      | 0       | 518    |
| Policy & Resources     | 21,587  | 20,850  | 1,520   | 2,770   | 3,950   | 50,677 |
| TOTAL                  | 29,133  | 25,590  | 2,133   | 3,264   | 5,566   | 65,686 |

- 7. The capital programme reflects investment property acquisitions in Southampton Road, Park Gate and on-going works and developments at Daedalus.
- 8. The Parks and Play and Outdoor Recreation schemes have been updated to reflect the latest budget projections. All the schemes can be met from existing S106 developer contributions. The updated changes are:
  - Play and Recreation Improvement Programme budget increased by £10,000 to £80,000.
  - Blackbrook Park Skate Park budget increased by £5,000 to £45,000.
  - Locks Heath Recreation Ground Changing Rooms budget reduced by £12,000 to £18,000.
  - Bath Lane Cricket Pavilion, £13,000 budget added to reflect the retention payment.
- 9. The rolling programme schemes for CCTV Refurbishment, Car Parks Surface Improvements, Vehicle and Plant Replacement and ICT Development have been reviewed and updated to reflect actual spending plans. A new line has been added to the capital programme for unallocated funds that are available for future asset replacement schemes.
- 10. Resources available, including borrowing, to fund the capital programme amount to £67,764,000 over the programme period, and therefore by 2020/21 there should be a surplus of £2,078,000.
- 11. However, while the condition of the Council's assets is generally good, there is a growing need to make a significant investment over the coming years in order to maintain the assets and meet future service needs. Despite the current surplus of capital resources (compared to the approved programme), the asset reviews suggest that there are insufficient resources in the future.
- 12. Consequently, there is a need to continue accumulating additional resources to meet the future capital demands. The Executive has previously agreed to set aside £500,000 from the revenue budget each year for this purpose and also has a policy to use New Homes Bonus money for capital and project funding once any funding shortfall or requirement to fund expenditure relating to the preparation of the Welborne Plan has been met. Capital resources will also be supplemented with any non-specific windfall income received during the year.

#### **FEES AND CHARGES**

- 13. Each year, the Council reviews the fees and charges for the services it provides. The fees and charges for each Committee and Executive portfolio and the proposed charges for 2017/18 are set out in Appendix B.
- 14. The fees and charges for the Licensing and Regulatory Committee will be submitted to be agreed by the committee on 24 January before being approved by Full Council.
- 15. Some fees and charges will be showing no increase as they are set by statute and therefore are not under the Council's control.
- 16. The discretionary charges are proposed at a level to achieve an increase in income that is deemed to be realistic, with the reasons for major variations from this policy set out below.
- 17. There are a number of charges where there are no increases that are at the discretion of the Council. Many of these including market pitch fees have not been increased as it is believed that increased charges would not be beneficial to the users of these services.
- 18. Car parking has been budgeted for in line with the Fareham Town Centre Parking Strategy and the proposed charges have not been increased for 2017/18. The charges have been at the current level since they were set in October 2010.
- 19. There is a change to some Land Charges fees where VAT has been introduced with effect from 1 January 2017.
- 20. There are 3 new areas of fees that have been added for 2017/18. There is a new charge of £300 for football tournaments where a club will hire a larger area of pitch space.
- 21. Within the refuse service it is proposed that developers are charged for the purchase of recycling bins as well as the general waste bins. Currently they are only charged £30 (plus VAT) for each general waste bin they purchase. Residents are currently charged £30 to replace a damaged refuse bin but not for a recycling one.
- 22. The third area is for hire of rooms where there is currently no charge for the hire of smaller meeting rooms in the Civic Offices. The charges for the rooms on floor 8 will be £20 per hour.

## THE REVENUE BUDGET

## The Base Revenue Budget 2016/17

23. The net revenue budget for 2016/17 was £8,903,300, a reduction of £271,300 on the previous year, and as a result the council tax increased by £5 which was within Government set referendum limits.

## The Revised Budget 2016/17

- 24. The overall revised budget remains the same as the base at £8,903,300.
- 25. The budget reflects known changes that have occurred during the current financial year and as a result the service budgets have increase by £104,900.
- 26. Other budgets, such as investment income, contributions to capital, movement in reserves, etc. have been reduced by an equivalent amount, and the revised budget remains as £8,903,300. Further information of how this is spread across portfolios is in Appendix C.

## **THE SERVICE BUDGETS 2017/18**

#### **Cost of Services**

- 27. The cost of services is shown at Appendix D and has been prepared in line with the Medium Term Finance Strategy that was approved by the Executive in October 2016.
- 28. The budget implications of that decision have been built into the service budgets for 2017/18 along with the savings anticipated through the implementation of the Vanguard Method and also those efficiencies that were approved by the Executive in October 2016.
- 29. The budget takes into account other decisions made by the Executive during the year. The main ones are the Welborne delivery programme and the purchase of investment properties in Southampton Road, Park Gate.
- 30. The Welborne Delivery programme was approved by the Executive in July 2016 and highlighted the need to spend an additional £500,000 per year for the next 3 financial years through to 2018/19. It was also agreed that the working balances reserve would be used to fund the additional work.
- 31. In October 2016 the Executive approved a report to purchase commercial properties in Southampton Road, Park Gate. The income from these investments has been reflected in the Commercial Estates budget which is showing a large change from the 2016/17 base budget. As part of this addition to the budget, changes have been made to reflect on-going financing costs of the purchases with the balance of the income being transferred to reserves to be used against future commitments to redevelop the town centres in Fareham and Portchester.
- 32. A new service budget has been included for the Holly Hill Leisure Centre. The centre was opened in October and the budget reflects the management arrangements with the operator.
- 33. The overall parking budgets show an increase in the cost of the service which is mainly due to the continuing drop in the number of customers using the car parks. The income is now lower than when the charges were first increased to their current levels. There have also been increases to the business rates payable on the car park due to a countrywide revaluation that will come into force from 1 April 2017.

- 34. The increase in business rates has also affected a number of other council services. As well as car parks, this affects the civic offices and the overall increase for the general fund is approximately £80,000.
- 35. The cost of refuse collection continues to rise, particularly the disposal of waste to Hampshire County Council with this also affecting the trade waste service. The trade waste service continues to grow with additional income being received as the customer base grows.
- 36. There are a number of areas where income has an impact on services. Planning applications have seen an increase in income during the year where land charges has seen income levels drop due to fewer enquiries. Both of these changes have been reflected in the budget.

## Other Budgets

- 37. In addition to the expenditure and income required to provide Council services, there are other costs and income which need to be taken into account when establishing the overall budget requirement. These include capital financing costs, interest earned on the Council's investments, accounting adjustments, etc.
- 38. <u>Capital Financing Costs</u>: The proposed budget provides for a revenue contribution to capital of £1.2m, which includes a contribution of £500,000 towards future capital commitments.
- 39. <u>Interest on Balances:</u> The Council has taken numerous steps to protect its investment portfolio, by spreading risks, using highly rated commercial institutions or Government bodies and investing for short periods. Consequently, however, the rates of return are limited.
- 40. The reduction in the figures for the base budget for 2017/18 reflects the continuing low interest rates but also takes into account the fact that balances available for investment will fall as spending on major capital project continues throughout 2016/17 and 2017/18.
- 41. <u>Portchester Crematorium Contribution</u>: This crematorium is one of the Council's earliest partnerships with three other Councils. Each year the crematorium contributes a share of any surplus to each Council and the Joint Committee has agreed that in 2017/18 the contribution will be £135,000, which is an increase of £10,000 over the current year.
- 42. <u>Minimum Revenue Provision</u>: Where the Council finances capital expenditure by debt, it must put aside resources to repay that debt in later years. The amount charged to the revenue budget for the repayment of debt is known as Minimum Revenue Provision (MRP). This new budget reflects the capital costs relating to property purchases that have been made during the last year. The purchases include commercial properties in Southampton Road, Park Gate and the cottages purchased in line with the Welborne delivery programme.
- 43. New Homes Bonus: This represents income from central government as an incentive to increase the number of homes in the borough. The non-ring fenced grant has been received since 2011 where the authority would receive money for 6 years from first year of receipt. In the autumn statement for 2016

the number of years that each authority would receive the grant has changed from 6 to 4 years with a transitional arrangement of 5 years being used in 2017/18. This has impacted on the grant received by Fareham.

- 44. <u>Contribution to/from Reserves</u>: This represents one-off items in the budget that are funded from reserve accounts that the Council holds or areas where there are excess funds and a transfer is made into reserve accounts.
- 45. Taking account of all revenue budget items, the overall budget for 2017/18 will be £8,616,700, which represents an overall decrease of £286,600 or 3.2%.

#### **BUDGET PRESSURES AND SERVICE EFFICIENCIES**

- 46. The Finance Strategy explained that there are a number of spending pressures facing the Council over the coming years. These pressures represent increasing costs that cannot be avoided, reducing income from services and investments, and additional funding that is required in order to progress high corporate priority actions.
- 47. Also as part of the strategy it was highlighted that that was a need for further efficiencies. At the meeting of the Executive on 8<sup>th</sup> February 2016, the Executive Leader announced the scale of the savings required, stating that:-

"Finding another £1 million by 2018 will be a challenge, but because of our prudent approach we do not have to make any savings for the financial year ahead, starting in April 2016, so there will be no need for any sudden decisions. I have, however, asked the Chief Executive to start work on closing the budget gap, and to bring forward proposals for the Executive to consider later this year, so we are well prepared and can minimise the impact on our residents and our staff".

48. Further efficiencies of £986,300 have been identified and the majority of these have been built into the budget for 2017/18 with the remainder to be incorporated within the 2018/19 budget. The efficiencies followed those made in previous years and covered the following areas:

## **Priorities**

£79,500

Re-focussing resources on priority services

## People/Process

£616,800

Reducing overheads and back office costs

## **Proceeds**

£257,000

Identify opportunities to maximising income returns

## **Procurement**

£33,000

Deliver cost savings through improved procurement

## SPENDING RESERVE

- 49. The Spending Reserve provides for unforeseen fluctuations in revenue expenditure and income such that one-off variations can be funded without having an adverse impact on the council tax. In accordance with the Finance Strategy, the minimum balance for the reserve is 5% of the planned gross expenditure. Taking account of the proposed gross expenditure in 2016/17, this equates to £2,413,000 and the current balance in the reserve is £3,090,500, a surplus over the minimum balance of £677,500.
- 50. As part of the Medium Term Financial Strategy it was agreed that proposals for the use of the surplus would be developed during the autumn for consideration in this report.
- 51. Paragraphs 5-12 review the capital programme and whilst there is a surplus available at the end of the programme there will be a need for other capital projects to commence in order to keep council assets maintained to a suitable standard. It is recommended that the remainder of the spending reserve surplus of £677,500 is transferred to support the capital programme.

## **GOVERNMENT SUPPORT FOR 2017/18 THROUGH TO 2019/20**

- 52. Currently, local councils receive their funding from 4 main sources: grants from central government; local business rates; council tax; and other locally generated income such as fees and charges for services.
- 53. From April 2013, business rates have been retained locally by the billing authority. The Council retains 40% of the money collected and pays the remainder to Hampshire County Council (9%), Hampshire Fire and Rescue Authority (1%) and the Government (50%).
- 54. The autumn statement in November 2016 confirmed that while the economy continues to improve there remains the need reduce funding to many Government departments, with local government being one that will see funding reduced by at least a third by the end of this parliament.
- 55. As part of the Statement councils were offered a 4 year settlement deal in order to give some certainty around the levels of funding through to 2019/20. Fareham chose to accept the deal on offer and this has been confirmed by Central Government.
- 56. The budget for 2017/18 takes into account the funding due from year 2 of this 4 year deal.

## **RISK ASSESSMENT**

- 57. In considering the budget, there are a number of issues that need to be borne in mind, as set out below:-
- 58. The economic climate continues to change particularly with the Brexit vote earlier on in the financial year and while there has been some stability generally it still remains that some services have seen an impact on demand and will continue to do so.

- 59. The Council Tax in 2016/17 was increased for the first time since April 2009. The Government's expectation is that with the economy becoming more stable then increases to council tax are now deemed acceptable.
- 60. For 2016/17 the limit of council tax increases before a referendum is called was increased from 2% to a fixed increase of £5 for those that had kept council tax levels low in the preceding years. Fareham took advantage of this and the council tax for a Band D property was increased from £140.22 to £145.22. The Government's expectation and associated funding levels indicate that they believe that Fareham will raise council tax by £5 in all the years covering the 4 year settlement deal.
- 61. The Executive has previously agreed that the balance on the spending reserve should equate to at least 5% of gross revenue expenditure which, for 2016/17, is £2,413,000. A detailed assessment of need has been carried out, following guidance from the Chartered Institute of Public Finance and Accountancy (LAAP77), which indicates that this is an appropriate level to retain and should not be reduced.
- 62. While the Council's capital resources are expected to exceed planned capital expenditure at the end of the programme period, future spending requirements could give rise to a very significant shortfall. It is therefore imperative that capital reserves are replenished whenever possible in order to meet the future spending needs.

#### CONCLUSION

- 63. The Council's finances remain under pressure in the current year, and there is every indication that this situation will persist in the future not only from Central Government funding constraints but also from other economic pressures.
- 64. Consequently, the budget setting process for 2017/18 has presented very similar challenges that were experienced during the 2016/17 budget, but there have been new challenges. With careful forward planning and appropriate mitigating action being taken at the earliest opportunity, the proposed budget has been produced which is believed to be robust and sustainable.
- 65. Taking new priority spending into account, the proposed revenue budget for 2017/18 will provide sufficient resources to deliver the Council's services and its priorities, and enable the council tax for 2017/18 to be set below capping limits.

### **APPENDIX B**

# FAREHAM BOROUGH COUNCIL

Fees and Charges 2017/18

# Andrew Wannell CPFA Director of Finance and Resources

### **General Notes**

- 1. Fees and Charges are normally reviewed by the Council on an annual basis to apply for the whole of the Financial Year (1 April to 31 March), but it sometimes proves necessary to amend charges at other times during the year.
- 2. The charges shown in this book are those which apply from 1 April 2017.
- 3. V.A.T. where charged will be at the prevailing rate, which is currently 20%.

#### 4. VALUE ADDED TAX – LETTING OF SPORTS FACILITIES - EXEMPTION

VAT exemption is available for the provision of a series of lets to Schools, Clubs, Associations or Organisations representing affiliated clubs or constituent associations (such as local league) subject to the following guidelines:

- a. The series consists of 10 or more sessions.
- b. Each session is for the same sport or activity.
- c. Each session is at the same place.
- d. The interval between each session is at least a day and not more than 14 days. Letting for every other Saturday afternoon fulfils this condition but there is no exception for intervals longer than 14 days which arise through closure e.g. for public holidays.
- e. The series must be paid for as a whole, and there is written evidence to that effect.
- f. The person to whom the facilities are let has exclusive use of them during the sessions.
- g. The hirer has no right to amend or cancel a booking

### **Gambling Act 2005**

Charges available on application to Director of Planning and Regulation.

### **Licensing Act 2003**

The service is provided to ensure public safety through the licensing of regulated activities and to ensure that they are undertaken in accordance with the relevant licence conditions.

In addition the Council are the Licensing Authority under the Licensing Act 2003. The Act replaced existing licensing regimes concerning the sale of alcohol, public entertainment, theatres, cinemas and late night refreshment with a unified system of regulation. From February 2005 the Council has dealt with applications for premises and personal licences which took effect in November 2005. From this date the Council took over all the licensing functions some of which such as liquor licensing were previously undertaken by the Magistrates Court.

The Act requires that the Council carries out its various licensing functions so as to promote the following four licensing objectives:-

- The prevention of crime and disorder
- Public Safety
- The prevention of public nuisance
- The protection of children from harm

The Fees have been set by the Government and are detailed below:

## Report to the Executive for Decision 6 February 2017

Portfolio: Policy and Resources

Subject: Housing Revenue Account Budget and Capital Plans

2017/18

**Report of:** Director of Finance and Resources

**Strategy/Policy:** Housing Strategy

**Corporate Objective:** A balanced housing market

## **Purpose:**

This report seeks Executive approval for the revised budget for 2016/17, the base budgets, rent increases and fees and charges for 2017/18 and the capital programme with its financing for the years 2016/17 to 2020/21.

## **Executive summary:**

The Executive recommended and the Council approved, in February 2016, the base budget and rent increase for 2016/17, for Housing Revenue Account (HRA) services.

This report sets out the Housing Revenue Account revised budget for 2016/17 and base budget for 2017/18 along with the capital programme and financing for the years 2016/17 to 2020/21. The report examines the issues affecting the Housing Revenue Account including rent changes with effect from 3 April 2017.

Council budgets are susceptible to change in the level of expenditure and income caused by factors inside and outside the Council's control. A risk assessment has been carried out to indicate the effect on housing balances of changes in the level of expenditure and income. This can be used to estimate the account balances needed to provide a prudent level of reserves and a working balance.

## Recommendation:

That the Executive agrees to recommend to Council that:

- (a) rents be approved for Council Dwellings as set out in paragraph 11 with effect from 3 April 2017;
- (b) rents for Council garages be increased by 6.2% with effect from 3 April 2017;
- (c) discretionary fees and charges be increased with effect from 3 April 2017;
- (d) the revised budget for 2016/17 be approved;
- (e) the base budget for 2017/18 be approved;
- (f) the capital programme and financing for 2016/17 to 2020/21 be approved; and
- (g) annual budgets and assumptions are set with the aim of ensuring sufficient surpluses are held to repay debt on the date of maturity of each loan.

## Reason:

To allow the Council to approve the Housing Revenue Account budget for 2017/18.

As detailed in the report.

## INTRODUCTION

1. This report brings together the revenue and capital spending plans for 2016/17 and 2017/18 for the Executive to consider. On 10 October 2016, the Executive approved the Council's Finance Strategy for 2016/17 and later years. The budget guidelines contained within the Strategy have been used as a basis for the Housing Revenue Account (HRA) spending plans.

## CAPITAL PROGRAMME

2. The five year capital programme has been updated and is summarised in the following table. More details of the capital schemes and its financing can be found in Appendix A.

| £'000  |

| 4,556  |
| 3,211  |
| 3,224  |
| 23,255 |
|        |

- 3. The financing of the capital programme is mainly from the Major Repairs Reserve, Revenue Contributions to Capital, external grants and 1:4:1 Receipts from Right to Buy sales (RTB).
- 4. The major schemes in 2016/17 and 2017/18 are the completing of 16 flats in Palmerston Avenue (Stevenson Court) and the new 36 unit sheltered scheme at Coldeast (Sylvan Court) plus improvements to existing stock.

## **RENTS**

- 6. When the Council left the HRA Subsidy System in March 2012, rents were assumed to rise at a rate of RPI (as at end of September) + 0.5% plus £2 to achieve convergence by 2015/16.
- 7. The Spending Review of 2013 took away the ability for Local Authorities to increase rents (for tenants in situ) to achieve convergence by the said date. The Government's rent setting policy changed so that rents from 2015/16 should increase at the rate of CPI (as at end September) plus 1% for a period of ten years to give certainty to landlords.
- 8. In the Summer Budget of July 2015, the Government announced that Social Housing Rents will fall by 1% a year for four years from April 2016. This is provided for in legislation within the Welfare Reform and Work Bill.
- 9. For 16/17, rents for low cost home ownership accommodation (shared-owner) and sheltered housing are excluded from this direction. The Council has 60 shared-ownership homes and 645 sheltered housing homes.
- 10. For 17/18, it is only shared owner properties that are excluded from this direction.
- 11. It is proposed that:
  - (a) Rents for shared-ownership properties will increase by CPI (1%) plus 1% and
  - (b) General needs and sheltered housing dwellings will decrease by 1%

- 12. Under Housing Benefit reforms, of the 1,490 tenants who receive housing benefit, 94 are under-occupying, 81 are affected by a 14% reduction in housing benefit and 13 by a 25% reduction. 14 have an exemption say for being of pensionable age.
- 13. Rents for Council garages are not covered by the Governments direction applying to dwellings. It is proposed that garage rents for 2017/18 increase by 6.2%.
- 14. Examples of proposed rents can be seen in Appendix B.

## **FEES AND CHARGES**

- 15. The current fees and charges for the HRA and the proposed charges for 2017/18 are set out in Appendix C.
- 16. The statutory charge is subject to the control and advice of Government. The current level of charge has been set at the maximum allowed.

### RISK ASSESSMENT

- 17. The following list of potential risks indicates that it is essential to preserve the account balance held for the HRA and Repairs Account. Reserves are held so that we can:
  - (a) Continue to manage and maintain homes;
  - (b) Improve and redevelop estates;
  - (c) Cover any unexpected expenditure;
  - (d) Take advantage of new opportunities to meet housing needs;
  - (e) Repay debt; and
  - (f) Meet the challenges of any change in Government policy.
- 18. The Government is proposing, from 2018/19, to require Local Authorities to give consideration to selling, on the open market, properties the Government consider to be of a high value as and when such properties become vacant. A proportion of proceeds of sale that relates to the debt attributable to such property will be retained by the Council. The balance of proceeds will be paid to Government to help fund Housing Associations who are now required to sell their property to tenants under Right-To-Buy. Should the Council decide not to sell such vacant properties it will be required to pay a sum to Government from its Housing Revenue Account in lieu of sale proceeds. At the time of writing this report, full details are not available.
- 19. In the Autumn Statement of 23 November 2016, the Government reversed its requirement for Local Authorities to review the annual income of its tenanted households and, where the household income is greater than £30,000 per year, to require the Authority to charge market rent rather than social rent.
- 20. Due to the increasing spend on repairing and improving the housing stock; sufficient surpluses are not available in year to put aside for future repayment of debt or investing in new stock.
- 21. If the Government further amend their current rent policy so that rents will continue to reduce post 2020, this will put further pressure on the HRA finances.

The Panel considered a report by the Director of Planning and Development on the Statement of Community Involvement, which has been drafted ready for consultation.

The Panel referred to Appendix B of the report which contained a list of general and specific consultees and enquired as to whether it is appropriate to have this list as it does not contain information regarding all local business, groups etc that maybe consulted upon. The Head of Planning Strategy and Regeneration suggested to the Panel that the list could be simplified to contain just the statutory consultees, and that a separate list be maintained by officers containing the other consultees, as this list will need to be updated regularly as businesses and groups change. The Panel agreed this would be a more suitable option.

The Panel also suggested that the following amendments be made:

- (i). On page 24 at 9.2, the wording be amended to read 'Fareham Borough Council is a member of the Partnership for Urban South Hampshire (PUSH), which is a partnership that covers the 12 whole or part Council areas in South Hampshire and the Isle of Wight.; and

9,000 swimmers in attendance; 8,000 people attending the gym; 700 group exercise classes held; and 3,500 individual swimming lessons.

The Centre has also seen an unprecedented amount of junior members signing up to join. The Head of Leisure and Environmental Services also stated that 1,600 memberships were sold before the Centre opened. These are both unprecedented across any leisure centres managed by Everyone Active.

Members discussed whether people attending the centre were coming from outside of the Borough and the Head of Leisure and Environmental Services stated that there would be a better understanding of the demographics of members and people using the centre by March 2017.

## 8. REVIEW OF WORK PROGRAMME

The Panel considered a report by the Director of Operations which reviews the Panel's proposed Work Programme for 2016/17.

Members agreed to move the Holly Hill Leisure Centre update from the January 2017 meeting to the March 2017 meeting.

The Head of Leisure and Environmental Services highlighted to Members that there were two unallocated items within the Work Programme: Cams Alders Vision and Open Spaces Improvement Programme and asked Members to consider these staying on the Work Programme as unallocated until such time as enough progress has been made to report these back to the Panel.

It was AGREED that:

- (a) the Panel note the Work Programme;

### 6. PRESENTATION BY HAMPSHIRE POLICE

The Chairman welcomed Chief Inspector Sharon Woolrich from Hampshire Constabulary to the meeting to provide the Panel with an overview of policing in the Fareham District.

Chief Inspector Woolrich reported that the Constabulary has recently appointed Olivia Pinkney as the Chief Constable and Sara Glen as Deputy Chief Constable. They will be working alongside Michael Lane, the new Police & Crime Commissioner, to address strategic aims across the County.

The Fareham Neighbourhood Policing Team is seen as a strength of the force and will continue to work alongside the Response and Control Team looking at issues affecting the area. Chief Inspector Woolrich highlighted the following key points:

As a result of a sharp increase in the number of Town Centre street drinkers in recent years, a District priority this year has been to tackle issues relating to their anti-social behaviour. Additional resourcing has been provided to enable 4 officers to patrol the Town Centre to deal with the street drinkers, many of whom can be violent and all of whom are considered to be vulnerable. Following the use of community behaviour notices, safeguarding procedures and on-going support provided to the street drinkers, crime levels have reduced by 50%. This is the best position for some time and the additional police powers created by the recently approved Public Spaces Protection Order will be a further positive step towards tackling this District priority.

Public Protection Policy Development and Review Panel

The level of marine theft in the District is high, with 38 incidents reported since the end of July. Crimes generally relate to the theft of small vessels in order to gain access to larger vessels moored around the coastline where further thefts then take place. This type of crime is difficult to tackle as sea based resources are limited, however Marine Units assist wherever possible and the media is also very useful in publicising the problem and raising public awareness of it.

There have been four distinct series of burglaries across the District over the year. Three have resulted in arrests and whilst one case is still open, incidents in that area have now ceased.

This year's Crime Standards inspection focussed on tackling issues affecting the most vulnerable. As a result, Fareham is deemed to be the best District in the Force. The Partnership Action Group and the collaborative working relationship with Fareham Borough Council were commended.

It was AGREED that Chief Inspector Woolrich be thanked for her report.

## 7. POLICE CRIME PANEL UPDATE

Councillor Cartwright, the Executive Member for Public Protection, provided the Panel with a verbal update on the Hampshire Police and Crime Panel.

The Executive Member reported that the Police and Crime Panel met on the 7 October 2016. This was the first meeting with the new Police Crime Commissioner, Michael Lane. The draft Police and Crime Plan covers the new Commissioner's Vision, Mission and Priorities and is available to view on the Hampshire Police & Crime Panel's website. A Delivery Plan explaining how objectives will be achieved will be produced shortly and should hopefully be available at the next meeting.

It was AGREED that the Executive Member for Public Protection be thanked for providing his verbal update.

## 6. PRESENTATION FROM FAREHAM AND GOSPORT CLINICAL COMMISSIONING GROUP- LOCAL HEALTH PRIORITIES

Councillor Mrs M Brady declared a non-pecuniary interest in this item as she works as a locum G.P across the Borough.

The Panel received a presentation from Dr David Chilvers and Mr Richard Samuel from the Fareham & Gosport Clinical Commissioning Group. The presentation outlined key priorities of the Group, the challenges currently being faced and how the Sustainability and Transformation Plan will enable the NHS to provide better local care.

Dr Chilvers explained that the key priorities for Fareham and Gosport focus on staying healthy and preventing ill health, providing integrated care away from the hospital, urgent and emergency care, improving elective care and improving quality and reducing variation. Challenges faced by the Clinical Commissioning Group (CCG) include unsustainable growth in demand for health and care, longevity coupled with increasingly poor health, longer than necessary hospitalisation and difficulties with recruitment and retention of staff.

In providing financial context, Dr Chilvers informed Members that the CCG has an annual budget of around £254m and is one of the lowest funded Groups in the country. The CCG buys services from local providers, including Portsmouth Hospital NHS Trust, Southern Health and local GPs and, for the first time in its history, went into budget deficit in the last financial year by

Health and Housing Policy Development and Review Panel

around £3.1m. Across Hampshire & Isle of Wight, the gap between available funding and the cost of delivering NHS services is projected to be £577m by 2020/21.

The Sustainability and Transformation Plan for Hampshire and the Isle of Wight sets out a vision for the future of health/care services, addressing some of the many challenges currently being faced by changing how care is delivered, driving productivity and efficiency, transforming the workforce, investing in digital transformation and redesigning how the NHS and social care providers work together.

There followed a question and answer session which provided Members with the opportunity to seek points of clarification on matters raised in the presentation and discuss how plans going forward would impact on Fareham.

It was AGREED that Dr Chilvers and Mr Samuel be thanked for providing an interesting and informative presentation.

(Councillor F Birkett left the meeting at the end of this item)

## 7. HEALTH UPDATE

The Panel received a brief update from the Chairman on local health issues.

The Chairman was pleased to report that one of the issues surrounding the use of the Fareham Community Hospital that Members have frequently discussed at recent meetings has been resolved; the Fareham & Gosport Clinical Commissioning Group has agreed to pay a fixed level of funding per year so that the hospital can be used for the benefit of residents and patients 24 hours a day, 7 days a week.

There remains an issue with regard to the management and reporting structure at the hospital, but efforts to try and resolve this matter will continue.

## 8. REVIEW OF FARELETS

The Panel considered a report by the Director of Operations which provided an update on the FareLets scheme.

Members enquired how many empty properties in private ownership have been renovated under the Council's grant scheme to make them habitable for Council leasing. The Head of Housing, Revenues and Benefits agreed to prepare and make this information available to Members.
