BOROUGH COUNCIL

Executive Briefing Paper

Date: 24 May 2016

Subject:: Traffic Regulation Order - Proposed Waiting Restrictions – Bath Lane Service Road, Fareham

Briefing by: Director of Planning and Regulation

Portfolio: Public Protection

Supporting Information

Background

1. Bath Lane leads off East Street in Fareham and runs to one of the cars parks on the periphery of the town centre. Modifications to the car park have taken place in recent years, part of which include the provision of a service road that now runs adjacent to the main parking area.
2. This service road does not presently have any waiting restrictions, but if vehicles park in it they are likely to lead to the road being obstructed. It is therefore proposed that waiting in this service road is prohibited at all times (both sides) as shown at Appendix A.
3. This road will eventually serve as an access road to any future developments on the vacant plots to which this road leads.

Consultations

4. The Police, Ward and County Councillors have been consulted on this proposal and expressed their support.
5. The Statutory Consultees were consulted and no objections were received.

Representations

6. The proposal was advertised in March 2016 and no responses were received.

Conclusion

7. It is therefore recommended that the proposed waiting restrictions are implemented as advertised and shown at Appendix A.
