Executive Briefing Paper

Date: 6 September 2016

Subject:: Traffic Regulation Order - Proposed Waiting Restrictions – St Christopher Avenue, Fareham

Briefing by: Director of Operations

Portfolio: Public Protection

Supporting Information

1. St Christopher Avenue is a residential street leading off Wickham Avenue to the north of Fareham town centre. Not far from its junction with Wickham Road, houses have been built on the site of the former St Christopher's hospital, in a new cul de sac which been named Owen Close.
2. When this new cul de sac was constructed, yellow lines were painted by the contractors in the junction area of Owen Close and St Christopher Avenue, but a traffic regulation order (TRO) was not provided to cover these restrictions. The restrictions are nevertheless appropriate to the new situation, and it is proposed that the yellow lining as painted should be formally backed by a TRO.

Consultations

3. The Police, Ward and County Councillors have been consulted on this proposal and expressed their support.
4. The Statutory Consultees were consulted and no objections were received.

Representations

5. The proposal was advertised in July 2016 and no responses were received.

Conclusion

6. It is therefore recommended that the proposed waiting restrictions are implemented as advertised and shown at Appendix A.
