Executive Briefing Paper

Date: 6 September 2016

Subject:: Traffic Regulation Order - Proposed Waiting Restrictions – Wickham Road, Fareham

Briefing by: Director of Operations

Portfolio: Public Protection

Supporting Information

1. Waiting restrictions were introduced into the Furzehall Avenue area of Wickham Road earlier in 2016 and have been successful with a number of compliments received.
2. The only particular concern has been that exit from properties (High Drey and Little Drey) to the north of Furzehall Avenue (on the opposite side of Wickham Road), remains significantly compromised by parking.
3. It is proposed that the removal of parking from a further short length of Wickham Road would overcome these concerns.

Consultations

4. The Police, Ward and County Councillors have been consulted on this proposal and expressed their support.
5. The Statutory Consultees were consulted and no objections were received.

Representations

6. The proposal was advertised in July 2016 and no responses were received.

Conclusion

7. It is therefore recommended that the proposed waiting restrictions are implemented as advertised and shown at Appendix A.
