

FAREHAM

BOROUGH COUNCIL

Report to the Executive for Decision 09 January 2017

Portfolio:	Policy and Resources
Subject:	Finance Strategy, Capital Programme, Revenue Budget and Council Tax 2017/18
Report of:	Director of Finance and Resources
Strategy/Policy:	Finance Strategy 2017/18
Corporate Objective:	A dynamic, prudent and progressive Council

Purpose:

This report reviews the Council's finance strategy and makes recommendations regarding the capital programme, the revised revenue budget for 2016/17, the fees and charges and the revenue budget for 2017/18.

Executive summary:

This report gives the Executive the opportunity to consider the Council's capital programme, revised service budget for 2016/17, fees and charges for 2017/18 and proposed service budgets for 2017/18.

Capital Programme and Resources 2016/17 to 2020/21

The revised capital programme amounts to £65,686,000, and there are capital resources totalling £67,764,000 over the programme period. Whilst a surplus of capital resources exists, there are likely to be emerging spending requirements that require new resources to be accumulated now so that the Council can meet its future commitments.

Revised General Fund Revenue Budget 2016/17

The revised general fund revenue budget for 2016/17 amounts to £12,388,300 for service budgets with other budgets totalling -£3,485,000 giving an overall position of £8,903,300 which shows no change from the base budget for 2016/17.

General Fund Revenue Budget 2017/18

The proposed general fund budget for 2017/18 totals £11,800,700 for service budgets along with -£3,184,000 for other budgets giving an overall position of £8,616,700 which is a reduction of £286,600 against the original budget for 2016/17.

Recommendation/Recommended Option:

That the Executive agrees:

- (a) that the capital programme for the period 2016/17 to 2020/21, amounting to £65,686,000 as set out at Appendix A to the report be approved;
- (b) that the proposed fees and charges for 2017/18, as set out in Appendix B to the report be approved;
- (c) that the revised 2016/17 general fund budget, amounting to £8,903,300 be approved;
- (d) that the base 2017/18 general fund revenue budget amounting to £8,616,700 be approved; and
- (e) that the use of the surplus on the spending reserve as set out in paragraphs 49-51 be approved.

Reason:

The Council has a co-ordinated strategic, service and financial planning process and this report brings together the spending plans for the Council's services for 2017/18 and will allow the Council to approve the capital programme, general fund revised revenue budget for 2016/17, fees and charges for 2017/18 and draft revenue budget for 2017/18.

Cost of proposals:

As detailed in the briefing paper contained in the report.

Appendices:

- A: Capital Programme 2016/17 to 2020/21**
- B: Fees and Charges for 2017/18**
- C: Revenue Budget Summary for 2017/18**
- D: Revenue Budget 2017/18**

FAREHAM

BOROUGH COUNCIL

Executive Briefing Paper

Date:	09 January 2017
Subject:	Finance Strategy, Capital Programme, Revenue Budget and Council Tax 2017/18
Briefing by:	Director of Finance and Resources
Portfolio:	Policy and Resources

INTRODUCTION

1. This report brings together the revenue and capital spending plans for the Council's local service agreements, as part of the Council's co-ordinated strategic, service and financial planning process.
2. The finance strategy was considered in October 2016, in advance of the budget process. The Finance Strategy reviewed the Council's overall financial position, taking into the following fundamental principles:
 - Resources
 - Capital Expenditure
 - Revenue Expenditure
 - Transparency and Openness
 - Partnership Working
3. It is against this background that the budget setting principles for the forthcoming financial year were agreed.
4. This report provides a further update to the Council's overall financial position in the light of the updated capital programme and the approved service budgets and allows the ability to accommodate new revenue and capital spending plans to be considered.

GENERAL FUND CAPITAL PROGRAMME

5. The General Fund capital programme for the period 2016/17 to 2020/21 has been revised to take account of new schemes and re-phased schemes.
6. The programme now totals £65,686,000 and is summarised in the following table with the details set out in Appendix A:

	2016/17	2017/18	2018/19	2019/20	2020/21	Total
	£'000	£'000	£'000	£'000	£'000	£'000
Public Protection	0	0	0	0	329	329
Streetscene	543	311	0	0	224	1,078
Leisure & Community	5,407	797	120	0	513	6,837
Health & Housing	1,118	3,619	480	480	550	6,247
Planning & Development	478	13	13	14	0	518
Policy & Resources	21,587	20,850	1,520	2,770	3,950	50,677
TOTAL	29,133	25,590	2,133	3,264	5,566	65,686

7. The capital programme reflects investment property acquisitions in Southampton Road, Park Gate and on-going works and developments at Daedalus.
8. The Parks and Play and Outdoor Recreation schemes have been updated to reflect the latest budget projections. All the schemes can be met from existing S106 developer contributions. The updated changes are:
 - Play and Recreation Improvement Programme budget increased by £10,000 to £80,000.
 - Blackbrook Park Skate Park budget increased by £5,000 to £45,000.
 - Locks Heath Recreation Ground Changing Rooms budget reduced by £12,000 to £18,000.
 - Bath Lane Cricket Pavilion, £13,000 budget added to reflect the retention payment.
9. The rolling programme schemes for CCTV Refurbishment, Car Parks Surface Improvements, Vehicle and Plant Replacement and ICT Development have been reviewed and updated to reflect actual spending plans. A new line has been added to the capital programme for unallocated funds that are available for future asset replacement schemes.
10. Resources available, including borrowing, to fund the capital programme amount to £67,764,000 over the programme period, and therefore by 2020/21 there should be a surplus of £2,078,000.
11. However, while the condition of the Council's assets is generally good, there is a growing need to make a significant investment over the coming years in order to maintain the assets and meet future service needs. Despite the current surplus of capital resources (compared to the approved programme), the asset reviews suggest that there are insufficient resources in the future.
12. Consequently, there is a need to continue accumulating additional resources to meet the future capital demands. The Executive has previously agreed to set aside £500,000 from the revenue budget each year for this purpose and also has a policy to use New Homes Bonus money for capital and project funding once any funding shortfall or requirement to fund expenditure relating to the preparation of the Welborne Plan has been met. Capital resources will also be supplemented with any non-specific windfall income received during the year.

FEES AND CHARGES

13. Each year, the Council reviews the fees and charges for the services it provides. The fees and charges for each Committee and Executive portfolio and the proposed charges for 2017/18 are set out in Appendix B.
14. The fees and charges for the Licensing and Regulatory Committee will be submitted to be agreed by the committee on 24 January before being approved by Full Council.
15. Some fees and charges will be showing no increase as they are set by statute and therefore are not under the Council's control.
16. The discretionary charges are proposed at a level to achieve an increase in income that is deemed to be realistic, with the reasons for major variations from this policy set out below.
17. There are a number of charges where there are no increases that are at the discretion of the Council. Many of these including market pitch fees have not been increased as it is believed that increased charges would not be beneficial to the users of these services.
18. Car parking has been budgeted for in line with the Fareham Town Centre Parking Strategy and the proposed charges have not been increased for 2017/18. The charges have been at the current level since they were set in October 2010.
19. There is a change to some Land Charges fees where VAT has been introduced with effect from 1 January 2017.
20. There are 3 new areas of fees that have been added for 2017/18. There is a new charge of £300 for football tournaments where a club will hire a larger area of pitch space.
21. Within the refuse service it is proposed that developers are charged for the purchase of recycling bins as well as the general waste bins. Currently they are only charged £30 (plus VAT) for each general waste bin they purchase. Residents are currently charged £30 to replace a damaged refuse bin but not for a recycling one.
22. The third area is for hire of rooms where there is currently no charge for the hire of smaller meeting rooms in the Civic Offices. The charges for the rooms on floor 8 will be £20 per hour.

THE REVENUE BUDGET

The Base Revenue Budget 2016/17

23. The net revenue budget for 2016/17 was £8,903,300, a reduction of £271,300 on the previous year, and as a result the council tax increased by £5 which was within Government set referendum limits.

The Revised Budget 2016/17

24. The overall revised budget remains the same as the base at £8,903,300.
25. The budget reflects known changes that have occurred during the current financial year and as a result the service budgets have increase by £104,900.
26. Other budgets, such as investment income, contributions to capital, movement in reserves, etc. have been reduced by an equivalent amount, and the revised budget remains as £8,903,300. Further information of how this is spread across portfolios is in Appendix C.

THE SERVICE BUDGETS 2017/18

Cost of Services

27. The cost of services is shown at Appendix D and has been prepared in line with the Medium Term Finance Strategy that was approved by the Executive in October 2016.
28. The budget implications of that decision have been built into the service budgets for 2017/18 along with the savings anticipated through the implementation of the Vanguard Method and also those efficiencies that were approved by the Executive in October 2016.
29. The budget takes into account other decisions made by the Executive during the year. The main ones are the Welborne delivery programme and the purchase of investment properties in Southampton Road, Park Gate.
30. The Welborne Delivery programme was approved by the Executive in July 2016 and highlighted the need to spend an additional £500,000 per year for the next 3 financial years through to 2018/19. It was also agreed that the working balances reserve would be used to fund the additional work.
31. In October 2016 the Executive approved a report to purchase commercial properties in Southampton Road, Park Gate. The income from these investments has been reflected in the Commercial Estates budget which is showing a large change from the 2016/17 base budget. As part of this addition to the budget, changes have been made to reflect on-going financing costs of the purchases with the balance of the income being transferred to reserves to be used against future commitments to redevelop the town centres in Fareham and Portchester.
32. A new service budget has been included for the Holly Hill Leisure Centre. The centre was opened in October and the budget reflects the management arrangements with the operator.
33. The overall parking budgets show an increase in the cost of the service which is mainly due to the continuing drop in the number of customers using the car parks. The income is now lower than when the charges were first increased to their current levels. There have also been increases to the business rates payable on the car park due to a countrywide revaluation that will come into force from 1 April 2017.

34. The increase in business rates has also affected a number of other council services. As well as car parks, this affects the civic offices and the overall increase for the general fund is approximately £80,000.
35. The cost of refuse collection continues to rise, particularly the disposal of waste to Hampshire County Council with this also affecting the trade waste service. The trade waste service continues to grow with additional income being received as the customer base grows.
36. There are a number of areas where income has an impact on services. Planning applications have seen an increase in income during the year where land charges has seen income levels drop due to fewer enquiries. Both of these changes have been reflected in the budget.

Other Budgets

37. In addition to the expenditure and income required to provide Council services, there are other costs and income which need to be taken into account when establishing the overall budget requirement. These include capital financing costs, interest earned on the Council's investments, accounting adjustments, etc.
38. Capital Financing Costs: The proposed budget provides for a revenue contribution to capital of £1.2m, which includes a contribution of £500,000 towards future capital commitments.
39. Interest on Balances: The Council has taken numerous steps to protect its investment portfolio, by spreading risks, using highly rated commercial institutions or Government bodies and investing for short periods. Consequently, however, the rates of return are limited.
40. The reduction in the figures for the base budget for 2017/18 reflects the continuing low interest rates but also takes into account the fact that balances available for investment will fall as spending on major capital project continues throughout 2016/17 and 2017/18.
41. Portchester Crematorium Contribution: This crematorium is one of the Council's earliest partnerships with three other Councils. Each year the crematorium contributes a share of any surplus to each Council and the Joint Committee has agreed that in 2017/18 the contribution will be £135,000, which is an increase of £10,000 over the current year.
42. Minimum Revenue Provision: Where the Council finances capital expenditure by debt, it must put aside resources to repay that debt in later years. The amount charged to the revenue budget for the repayment of debt is known as Minimum Revenue Provision (MRP). This new budget reflects the capital costs relating to property purchases that have been made during the last year. The purchases include commercial properties in Southampton Road, Park Gate and the cottages purchased in line with the Welborne delivery programme.
43. New Homes Bonus: This represents income from central government as an incentive to increase the number of homes in the borough. The non-ring fenced grant has been received since 2011 where the authority would receive money for 6 years from first year of receipt. In the autumn statement for 2016

the number of years that each authority would receive the grant has changed from 6 to 4 years with a transitional arrangement of 5 years being used in 2017/18. This has impacted on the grant received by Fareham.

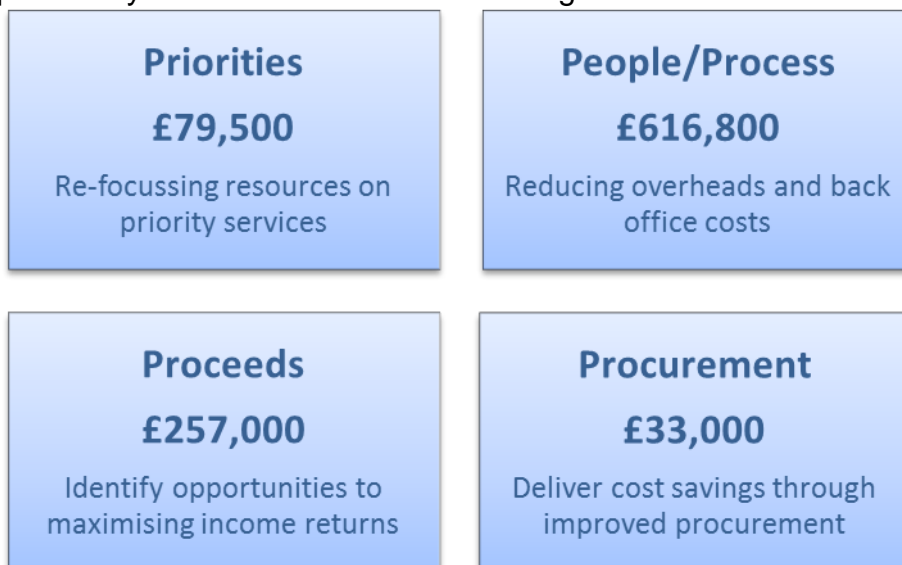

44. Contribution to/from Reserves: This represents one-off items in the budget that are funded from reserve accounts that the Council holds or areas where there are excess funds and a transfer is made into reserve accounts.
45. Taking account of all revenue budget items, the overall budget for 2017/18 will be £8,616,700, which represents an overall decrease of £286,600 or 3.2%.

BUDGET PRESSURES AND SERVICE EFFICIENCIES

46. The Finance Strategy explained that there are a number of spending pressures facing the Council over the coming years. These pressures represent increasing costs that cannot be avoided, reducing income from services and investments, and additional funding that is required in order to progress high corporate priority actions.
47. Also as part of the strategy it was highlighted that that was a need for further efficiencies. At the meeting of the Executive on 8th February 2016, the Executive Leader announced the scale of the savings required, stating that:-

“Finding another £1 million by 2018 will be a challenge, but because of our prudent approach we do not have to make any savings for the financial year ahead, starting in April 2016, so there will be no need for any sudden decisions. I have, however, asked the Chief Executive to start work on closing the budget gap, and to bring forward proposals for the Executive to consider later this year, so we are well prepared and can minimise the impact on our residents and our staff”.

48. Further efficiencies of £986,300 have been identified and the majority of these have been built into the budget for 2017/18 with the remainder to be incorporated within the 2018/19 budget. The efficiencies followed those made in previous years and covered the following areas:

SPENDING RESERVE

49. The Spending Reserve provides for unforeseen fluctuations in revenue expenditure and income such that one-off variations can be funded without having an adverse impact on the council tax. In accordance with the Finance Strategy, the minimum balance for the reserve is 5% of the planned gross expenditure. Taking account of the proposed gross expenditure in 2016/17, this equates to £2,413,000 and the current balance in the reserve is £3,090,500, a surplus over the minimum balance of £677,500.
50. As part of the Medium Term Financial Strategy it was agreed that proposals for the use of the surplus would be developed during the autumn for consideration in this report.
51. Paragraphs 5-12 review the capital programme and whilst there is a surplus available at the end of the programme there will be a need for other capital projects to commence in order to keep council assets maintained to a suitable standard. It is recommended that the remainder of the spending reserve surplus of £677,500 is transferred to support the capital programme.

GOVERNMENT SUPPORT FOR 2017/18 THROUGH TO 2019/20

52. Currently, local councils receive their funding from 4 main sources: grants from central government; local business rates; council tax; and other locally generated income such as fees and charges for services.
53. From April 2013, business rates have been retained locally by the billing authority. The Council retains 40% of the money collected and pays the remainder to Hampshire County Council (9%), Hampshire Fire and Rescue Authority (1%) and the Government (50%).
54. The autumn statement in November 2016 confirmed that while the economy continues to improve there remains the need reduce funding to many Government departments, with local government being one that will see funding reduced by at least a third by the end of this parliament.
55. As part of the Statement councils were offered a 4 year settlement deal in order to give some certainty around the levels of funding through to 2019/20. Fareham chose to accept the deal on offer and this has been confirmed by Central Government.
56. The budget for 2017/18 takes into account the funding due from year 2 of this 4 year deal.

RISK ASSESSMENT

57. In considering the budget, there are a number of issues that need to be borne in mind, as set out below:-
58. The economic climate continues to change particularly with the Brexit vote earlier on in the financial year and while there has been some stability generally it still remains that some services have seen an impact on demand and will continue to do so.

59. The Council Tax in 2016/17 was increased for the first time since April 2009. The Government's expectation is that with the economy becoming more stable then increases to council tax are now deemed acceptable.
60. For 2016/17 the limit of council tax increases before a referendum is called was increased from 2% to a fixed increase of £5 for those that had kept council tax levels low in the preceding years. Fareham took advantage of this and the council tax for a Band D property was increased from £140.22 to £145.22. The Government's expectation and associated funding levels indicate that they believe that Fareham will raise council tax by £5 in all the years covering the 4 year settlement deal.
61. The Executive has previously agreed that the balance on the spending reserve should equate to at least 5% of gross revenue expenditure which, for 2016/17, is £2,413,000. A detailed assessment of need has been carried out, following guidance from the Chartered Institute of Public Finance and Accountancy (LAAP77), which indicates that this is an appropriate level to retain and should not be reduced.
62. While the Council's capital resources are expected to exceed planned capital expenditure at the end of the programme period, future spending requirements could give rise to a very significant shortfall. It is therefore imperative that capital reserves are replenished whenever possible in order to meet the future spending needs.

CONCLUSION

63. The Council's finances remain under pressure in the current year, and there is every indication that this situation will persist in the future not only from Central Government funding constraints but also from other economic pressures.
64. Consequently, the budget setting process for 2017/18 has presented very similar challenges that were experienced during the 2016/17 budget, but there have been new challenges. With careful forward planning and appropriate mitigating action being taken at the earliest opportunity, the proposed budget has been produced which is believed to be robust and sustainable.
65. Taking new priority spending into account, the proposed revenue budget for 2017/18 will provide sufficient resources to deliver the Council's services and its priorities, and enable the council tax for 2017/18 to be set below capping limits.

FAREHAM

BOROUGH COUNCIL

Fees and Charges 2017/18

Andrew Wannell CPFA
Director of Finance and Resources

General Notes

1. Fees and Charges are normally reviewed by the Council on an annual basis to apply for the whole of the Financial Year (1 April to 31 March), but it sometimes proves necessary to amend charges at other times during the year.
2. The charges shown in this book are those which apply from 1 April 2017.
3. V.A.T. where charged will be at the prevailing rate, which is currently 20%.
4. **VALUE ADDED TAX – LETTING OF SPORTS FACILITIES - EXEMPTION**

VAT exemption is available for the provision of a series of lets to Schools, Clubs, Associations or Organisations representing affiliated clubs or constituent associations (such as local league) subject to the following guidelines:

- a. The series consists of 10 or more sessions.
- b. Each session is for the same sport or activity.
- c. Each session is at the same place.
- d. The interval between each session is at least a day and not more than 14 days. Letting for every other Saturday afternoon fulfils this condition but there is no exception for intervals longer than 14 days which arise through closure e.g. for public holidays.
- e. The series must be paid for as a whole, and there is written evidence to that effect.
- f. The person to whom the facilities are let has exclusive use of them during the sessions.
- g. The hirer has no right to amend or cancel a booking

Building Control Partnership fees are available on application to the Head of Building Control. Fees will not be published due to commercial sensitivity.

CEMETERIES AND BURIAL GROUNDS

The charges shown are currently not subject to VAT.

Resident Fees

Resident fees are charged when the person to be interred lived in the Borough of Fareham prior to their death.

Persons residing in Care and Nursing homes outside the Borough are also classed as residents if they lived in the Borough of Fareham prior to moving to Care and Nursing Homes.

Non-Resident Fees

Non-resident fees are charged when the person to be interred did not live in the Borough prior to their death. Fees in relation to the purchase of the 30 year lease will also apply.

Non-residents fees are charged when a person wishes to reserve a grave and lives outside the Borough at the time of their application to purchase the 30 year lease.

Renewal	Statutory Charge	20.00	20.00	0.00

Gambling Act 2005

Charges available on application to Director of Planning and Regulation.

Licensing Act 2003

The service is provided to ensure public safety through the licensing of regulated activities and to ensure that they are undertaken in accordance with the relevant licence conditions.

In addition the Council are the Licensing Authority under the Licensing Act 2003. The Act replaced existing licensing regimes concerning the sale of alcohol, public entertainment, theatres, cinemas and late night refreshment with a unified system of regulation. From February 2005 the Council has dealt with applications for premises and personal licences which took effect in November 2005. From this date the Council took over all the licensing functions some of which such as liquor licensing were previously undertaken by the Magistrates Court.

The Act requires that the Council carries out its various licensing functions so as to promote the following four licensing objectives:-

- The prevention of crime and disorder
- Public Safety
- The prevention of public nuisance
- The protection of children from harm

The Fees have been set by the Government and are detailed below:

Premises/Club Applications/Conversions

The Fees are based on rateable values of properties:

Rateable Value	Band	Initial License Fee £	Annual Fee £
£0 - £4,300	A	100.00	70.00
£4,301 - £33,000	B	190.00	180.00
£33,001 - £87,000	C	315.00	295.00
£87,001 - £125,000	D	450.00	320.00
£125,001 and over	E	635.00	350.00

A multiplier applied to premises in Bands D and E where they are exclusively or primarily in the business of selling alcohol (mainly large town and city centre pubs) as follows:

Rateable Value	Band	City/Town Centre Pub Application Fee £	City/Town Centre Pub Annual Charge £
£87,001 - £125,000	D	900.00	640.00
£125,001 and over	E	1,905.00	1,050.00

If in addition to the conversion application the conditions in respect of alcohol are to be varied then an additional fee to those set out above becomes payable as follows:

Rateable Value	Band	Variation Fee £
£0 - £4,300	A	20.00
£4,301 - £33,000	B	60.00
£33,001 - £87,000	C	80.00
£87,001 - £125,000	D	100.00
£125,001 and over	E	120.00

Exceptionally Large Events

A fee structure also exists for exceptionally large events starting at a capacity of 5,000 people. Please contact the Licensing Authority for details of these.
