BOROUGH COUNCIL

Report to the Executive for Decision 06 February 2017

Portfolio:	Policy and Resources
Subject:	Housing Revenue Account Budget and Capital Plans 2017/18
Report of:	Director of Finance and Resources
Strategy/Policy:	Housing Strategy
Corporate Objective:	A balanced housing market

Purpose:

This report seeks Executive approval for the revised budget for the Housing Revenue Account for 2016/17, the base budgets, rent increases and fees and charges for 2017/18 and the capital programme with its financing for the years 2016/17 to 2020/21.

Executive summary:

The Executive recommended and the Council approved, in February 2016, the base budget and rent increase for 2016/17, for Housing Revenue Account (HRA) services.

This report sets out the Housing Revenue Account revised budget for 2016/17 and base budget for 2017/18 along with the capital programme and financing for the years 2016/17 to 2020/21. The report examines the issues affecting the Housing Revenue Account including rent changes with effect from 3 April 2017.

Council budgets are susceptible to change in the level of expenditure and income caused by factors inside and outside the Council's control. A risk assessment has been carried out to indicate the effect on housing balances of changes in the level of expenditure and income. This can be used to estimate the account balances needed to provide a prudent level of reserves and a working balance.

Recommendation:

That the Executive agrees to recommend to Council that:

- (a) rents be approved for Council Dwellings as set out in paragraph 11 with effect from 3 April 2017;
- (b) rents for Council garages be increased by 6.2% with effect from 3 April 2017;
- (c) discretionary fees and charges be increased with effect from 3 April 2017;
- (d) the revised budget for 2016/17 be approved;
- (e) the base budget for 2017/18 be approved;
- (f) the capital programme and financing for 2016/17 to 2020/21 be approved; and
- (g) annual budgets and assumptions are set with the aim of ensuring sufficient surpluses are held to repay debt on the date of maturity of each loan.

Reason:

To allow the Council to approve the Housing Revenue Account budget for 2017/18.

BOROUGH COUNCIL

Executive Briefing Paper

Date:	06 February 2017
Subject:	Housing Revenue Account Spending Plans including the Capital Programme for 2017/18
Briefing by:	Director of Finance and Resources
Portfolio:	Policy and Resources

INTRODUCTION

1. This report brings together the revenue and capital spending plans for the Housing Revenue Account for 2016/17 and 2017/18 for the Executive to consider. On 10 October 2016, the Executive approved the Council's Finance Strategy for 2016/17 and later years. The budget guidelines contained within the Strategy have been used as a basis for the Housing Revenue Account (HRA) spending plans.

CAPITAL PROGRAMME

2. The five year capital programme has been updated and is summarised in the following table. More details of the capital schemes and its financing can be found in Appendix A.

Year	£'000
2016/17	7,473
2017/18	4,791
2018/19	4,556
2019/20	3,211
2020/21	3,224
	<u>23,255</u>

3. The financing of the capital programme is mainly from the Major Repairs Reserve, Revenue Contributions to Capital, external grants and 1:4:1 Receipts from Right to Buy sales (RTB).
4. The major schemes in 2016/17 and 2017/18 are the completing of 16 flats in Palmerston Avenue (Stevenson Court) and the new 36 unit sheltered scheme at Coldeast (Sylvan Court) plus improvements to existing stock.

RENTS

6. When the Council left the HRA Subsidy System in March 2012, rents were assumed to rise at a rate of RPI (as at end of September) + 0.5% plus £2 to achieve convergence by 2015/16.
7. The Spending Review of 2013 took away the ability for Local Authorities to increase rents (for tenants in situ) to achieve convergence by the said date. The Government's rent setting policy changed so that rents from 2015/16 should increase at the rate of CPI (as at end September) plus 1% for a period of ten years to give certainty to landlords.
8. In the Summer Budget of July 2015, the Government announced that Social Housing Rents will fall by 1% a year for four years from April 2016. This is provided for in legislation within the Welfare Reform and Work Bill.
9. For 16/17, rents for low cost home ownership accommodation (shared-owner) and sheltered housing are excluded from this direction. The Council has 60 shared-ownership homes and 645 sheltered housing homes.
10. For 17/18, it is only shared owner properties that are excluded from this direction.

11. It is proposed that:
 - (a) Rents for shared-ownership properties will increase by CPI (1%) plus 1% and
 - (b) General needs and sheltered housing dwellings will decrease by 1%
12. Under Housing Benefit reforms, of the 1,490 tenants who receive housing benefit, 94 are under-occupying, 81 are affected by a 14% reduction in housing benefit and 13 by a 25% reduction. 14 have an exemption say for being of pensionable age.
13. Rents for Council garages are not covered by the Governments direction applying to dwellings. It is proposed that garage rents for 2017/18 increase by 6.2%.
14. Examples of proposed rents can be seen in Appendix B.

FEES AND CHARGES

15. The current fees and charges for the HRA and the proposed charges for 2017/18 are set out in Appendix C.
16. The statutory charge is subject to the control and advice of Government. The current level of charge has been set at the maximum allowed.

RISK ASSESSMENT

17. The following list of potential risks indicates that it is essential to preserve the account balance held for the HRA and Repairs Account. Reserves are held so that we can:
 - (a) Continue to manage and maintain homes;
 - (b) Improve and redevelop estates;
 - (c) Cover any unexpected expenditure;
 - (d) Take advantage of new opportunities to meet housing needs;
 - (e) Repay debt; and
 - (f) Meet the challenges of any change in Government policy.
18. The Government is proposing, from 2018/19, to require Local Authorities to give consideration to selling, on the open market, properties the Government consider to be of a high value as and when such properties become vacant. A proportion of proceeds of sale that relates to the debt attributable to such property will be retained by the Council. The balance of proceeds will be paid to Government to help fund Housing Associations who will be required to sell their property to tenants under Right-To-Buy. Should the Council decide not to sell such vacant properties it will be required to pay a sum to Government from its Housing Revenue Account in lieu of sale proceeds. At the time of writing this report, full details are not available.
19. In the Autumn Statement of 23 November 2016, the Government reversed its requirement for Local Authorities to review the annual income of its tenanted households and, where the household income is greater than £30,000 per year, to require the Authority to charge market rent rather than social rent.
20. Due to the increasing spend on repairing and improving the housing stock; there is no planned transfer of surpluses in the year to put aside for future repayment of debt or investing in new stock.

21. If the Government further amend their current rent policy so that rents will continue to reduce post 2020, this will put further pressure on the HRA finances.

Change in rent policy to decrease rents by 1% pa		-£111,000
