## BOROUGH COUNCIL

### **Report to Leisure and Community Policy Development and Review Panel**

**Date**                    **01 March 2017**

**Report of:**            **Director of Operations**

**Subject:**              **FINAL REVIEW OF THE WORK PROGRAMME FOR 2016/17 AND  
DRAFT WORK PROGRAMME 2017/18**

#### **SUMMARY**

At the last meeting the Panel on the 18 January 2017, members reviewed the existing work programme for 2016/17, and also considered a draft work programme for 2017/18. The Panel is now invited to assess the overall progress for the current year and finalise a draft work programme for 2017/18.

#### **RECOMMENDATION**

Members are now asked to:-

- (a) review the outcomes of the Panel's work programme for 2016/17.
- (b) submit the proposed work programme for 2017/18 to the Council for endorsement.

## **INTRODUCTION**

1. This is the final meeting for the year and the Panel is invited to finalise its review of this year's work programme and confirm the draft for 2017/18.

### **WORK PROGRAMME CURRENT YEAR 2016/17**

2. Appendix A to this report contains details of the current year's work programme for review by the Panel.
3. Appendix B contains details of the outcomes from matters considered at Panel meetings from 02 March 2016 up until January 2017, for members' information.

### **WORK PROGRAMME FOR 2017/18**

4. Appendix D sets out details of the proposed items for consideration during 2017/18. As members are aware, the Panel's focus is on 'policy development', and it is suggested that members may want to consider setting up smaller working groups to work with officers on specific subjects. The Panel is also likely to consider reports on a specific subject on more than one occasion during the course of the year, as the policy is developed and before final recommendations are made to the Executive.
5. It is also for the Panel to consider whether any review of items under the Council's policy framework will be included in the 2017/18 programme.
6. Appendix C contains a list of the plans and strategies currently contained in the Council's policy framework. This list may however be subject to amendment arising from any future changes to the Constitution.

## **RISK ASSESSMENT**

7. There are no significant risk considerations in relation to this report

## **CONCLUSION**

8. To summarise, the Panel is now invited to:-
  - (a) review the outcome of its work programme for the current year 2016/17;
  - (b) give further consideration to a draft work programme for 2017/18. Taking account of the proposed draft set out in the Appendix D and, at the same time, add to the Panel's draft programme for 2017/18 and proposed strategy or policy reviews and also any additional items agreed generally by the Panel or put forward by individual members.
  - (c) arrange to submit the agreed work programme for 2017/18 to the Council.

This continues once funding is approved, not only to ensure monies are spent, with the opportunity for a return of any funds if there is an underspend, but also to see the improvements made for the benefit of the community. Auditing also takes place together with the signing of a Community Fund Use Agreement to ensure the return or recovery of monies.</p> <p>Members discussed the auditing aspect of the Grants and the role of the Ward Councillor; the expectations that groups should contribute either financially or otherwise, for example, by providing labour, to show commitment; and how the application stage of the process looks in some details at available monies groups have access to that could be used to fund their project.</p> <p>The Leisure and Community Manager was thanked for her presentation.</p>
