2. MINUTES

RESOLVED that the minutes of the Executive held on 15 May 2017 be confirmed and signed as a correct record.

3. EXECUTIVE LEADER'S ANNOUNCEMENTS

The Executive Leader was pleased to report to the Executive meeting that Fareham Borough Council has received significant interest from potential delivery partners to deliver the new self-sustaining Garden Village at Welborne.

Fifty-one expressions of interest have been received in response to the Council's procurement notice issued in March 2017.

The Executive Leader stated that officers have undertaken a detailed technical evaluation exercise of the bids submitted and four highly experienced organisations will now be invited to participate in the next formal procurement stage. Each of the four organisations has a proven and significant track record in developing and delivering high quality, large scale, new communities and infrastructure projects across the UK.

Welborne provides an outstanding opportunity for the Council to work with a delivery partner to develop a bespoke new community. New homes, new jobs and community spaces for leisure and recreation will all be designed in from the outset, creating an attractive and desirable place to live.

The Executive Leader stated that he was delighted that key developers within the industry recognise the potential of Welborne and share the Council's vision for a new community. The significant level of interest received firmly supports the Council's view that Welborne provides a unique opportunity to deliver a new Garden Village, helping to meet our housing and growth aspirations.

The Executive Leader stated that Welborne will be a great place to live and work and the Council looks forward to working with the four selected bidders as it moves on to the next stage of the procurement process.
