**Health and Public Protection Policy Development and Review Panel – 12 September 2017
Progress on Actions Since 25 July 2017**

Date of Meeting	
Subject	Police Crime Panel
Type of Item	Verbal Update
Action by Panel	<p>The Panel received a verbal update on the Police Crime Panel from Councillor T M Cartwright, MBE, the Executive Member for Health and Public Protection.</p> <p>Councillor Cartwright reported on the recent meeting of the Police Crime Panel, advising of the appointments of Dave Stewart and Jan Warwick as the Chair and Vice Chair of the Panel for the coming year and the appointments of Mr James Payne as Chief Executive and Mr Andy Lowe as Chief Finance Officer.</p> <p>Members were updated on the items of business discussed at the meeting. This included a review of the Estates Strategy which will now involve relocation of the policing team in Fareham to the purpose-built police station at Park Gate rather than to the Civic Offices. Sub premises will be secured in due course to ensure that there is a continued police presence in the town centre.</p> <p>The Police & Crime Commissioner's Delivery Plan is now available. The Plan sets out the detailed approach to delivering the Police and Crime Plan, including the intended outcomes and the measurements used to assess them. As the Police Crime Panel feels that the format of the information provided does not make it easy to understand progress being made, the Working Group will scrutinise the plan in more detail and request greater clarity.</p> <p>The Police Crime Panel continues to undertake a programme of proactive scrutiny. Rural Crime will be the next topic to be reviewed to assess the progress being made in reducing the gap in solved crime rates between rural and non-rural areas.</p> <p>It was AGREED that Councillor Cartwright be thanked for providing his verbal update.</p>

Subject	Health
Type of Item	Verbal Update
Action by Panel	<p>The Panel received a verbal update on Local Strategic Health issues from Councillor T M Cartwright, MBE, the Executive Member for Health and Public Protection.</p> <p>Councillor Cartwright reported that Suella Fernandes presented a health statement at the Fareham Community Hospital last week. This included an announcement that a new appointments system will be trialled at the Hospital to cover GP services in Stubbington, Titchfield, Highlands Road and Whiteley. Patients requesting same day appointments will be given an appointment to see a GP at the Community Hospital, freeing up the local surgeries to undertake appointments that have been booked in advance. If successful, this system may be rolled out to other parts of the Borough.</p> <p>Councillor Cartwright advised that it is clear from the audience response to the statement that residents' main requirements of the Community Hospital are Accident and Emergency cover and Diagnostic Services. Residents are also keen to understand plans for provision of healthcare in Welborne given that the Clinical Commissioning Group has ignored public consultation exercises and will not allocate new resources to cover the area. Members expressed considerable concern that existing provision, particularly the Highlands Road Surgery, does not have the capacity to cover any additional patients.</p>
