

Report to Licensing and Regulatory Affairs Committee

Date 23 January 2018

Report of: Director of Finance & Resources

Subject: SPENDING PLANS 2018/19

SUMMARY

This report sets out the overall level of revenue spending on this Committee's services and seeks agreement for the revised revenue budget for 2017/18 and the base budget for 2018/19 before being recommended to Council for approval.

RECOMMENDATION

It is recommended that the Licensing and Regulatory Affairs Committee:-

- (a) reviews and agrees the revised budget for 2017/18;
- (b) reviews and agrees the base budgets for 2018/19; and
- (c) recommends the budget to Council for approval.

INTRODUCTION

- The Council has a co-ordinated strategic, service and financial planning process and this report allows the Committee to consider in detail these plans for the provision of Licensing and Regulatory Affairs services during the next financial year.
- 2. This report and the revenue budgets have been prepared in accordance with the Medium Term Finance Strategy that is to be presented to the Executive on 8 January 2018 and will cover the capital programme and the revenue budget.

CAPITAL PROGRAMME

3. For this Committee there are no capital projects planned.

REVENUE BUDGET

4. Appendix A analyses the overall budget total over the individual Licensing and Regulatory Affairs Committee services and by the different types of expenditure and income.

Base Budget 2017/18

- 5. The base budgets for 2017/18 were considered by this Committee in January 2017 and were confirmed by the Full Council on 24 February 2017.
- 6. The base budget for 2017/18 amounted to £481,000.

Revised Budget 2017/18

7. The overall revised budget for 2017/18 is £456,000 a decrease of £25,000 or 5% from the base budget.

Base Budget 2018/19

8. The overall base budget for 2018/19 is £501,000, an increase of £20,000 or 4% from the base budget for 2017/18.

Revenue Budget Comparisons

9. The major variations in the individual service budgets are summarised in the following table:

	Revised	Base
	Budget	Budget
	2017/18	2018/19
	£	£
Base Budget 2017/18	481,000	481,000
Hackney Carriage & Private Hire Vehicles	-9,200	-9,700
Licensing	-1,500	-1,800
Health and Safety Enforcement	2,000	0
Election Services	-16,300	31,500
TOTAL	456,000	501,000

10. Appendix A of this report shows the analysis of expenditure and income for individual services and the following paragraphs of this report set out issues affecting individual services that have arisen in the current year in order to explain the variations between the base and revised budgets for 2017/18 and the base budget for 2018/19.

SERVICE ISSUES

Environmental Health Partnership

- 11. From 1 April 2014 the Environmental Health service has been provided by way of a Partnership between Fareham and Gosport Councils in order to provide a more resilient service and to bring savings to both Councils under the control of the Environmental Health Panel.
- 12. Under this arrangement, the direct costs for the service have been combined into a single Trading Account. This is where expenditure under the headings of employees, premises, supplies and services and third party payments incurred by the Partnership are recorded, and recharged to both Fareham and Gosport Councils on the basis of a 50:50 split.
- 13. Support services and income attributable to Fareham and Gosport Councils are recorded directly in the respective service areas of the two local authorities, along with the cost of DVLA Licence checks under supplies and services.

Hackney Carriage Licences

14. There has been a decrease in the budget for this service of £9,700. The main reason for the change is that overall budgeted income from taxi licensing has increased by £13,300.

Licensing

15. There has been an increase in the income budget for this service of £1,800 as internal recharges are no longer recognised directly in this area.

Health & Safety

16. There have been no change to this budget for 2018/19.

Election Services

17. There has been an overall increase in the budget for this service of £31,500. There has been a small increase in employee expenditure, and no Government grant is anticipated for 2018/19. Supplies and services have reduced to reflect anticipated expenditure, but have not fully offset the corresponding reduction in income budget as not all ongoing expenses are reclaimable.

RISK ASSESSMENT

18. There are no significant risk considerations in relation to this report.

CONCLUSION

- 19. A number of Licensing and Regulatory Affairs services are partly funded from fees and charges and other types of income. After taking service income into account, the following sources of income reduce the overall cost of services to be met by council tax payers:
 - Investment income;
 - General government grant; and
 - The Council's share of business rate income
- 20. These sources of income are generally outside the Council's control and do not reflect changes in the overall level of spending on local services. With these sources of income effectively "fixed", Members need to be aware that, unless it can be matched by increased service income, additional spending on services has to be fully funded by council tax payers.
- 21. It follows that members must give full weight to the Council's overall position and future council tax levels when the revenue budgets for 2018/19 are considered.
- 22. The Committee is asked to:
 - (a) review and agree the revised budgets for 2017/18;
 - (b) review and agree the base budgets for 2018/19; and
 - (c) recommend the budget to Council for approval.
