

FAREHAM

BOROUGH COUNCIL

Introduction

The operation of a successful Hackney Carriage and Private Hire vehicle service is essential to the economic well-being of the Borough. It is equally important that the service provided by the Trade be properly regulated in order to instil confidence in the travelling public who wish to use the service. Whilst the Council no longer limits the number of vehicles that it licences, it does continue to regulate the condition of those vehicles to ensure the safety of the public.

The Council therefore has a responsibility to ensure that all drivers, owners and operators of vehicles adhere to basic minimum standards and to do this in a consistent and transparent manner. These standards are defined by the Hackney Carriage and Private Hire Vehicle Conditions adopted by the Council. These conditions clearly identify what is required of the trade and ensure that council officers take a consistent approach in their application.
