Adjustment Required			0		-1		+1

Notes:

- (i) Under the calculation, the Conservative Group has notionally been allocated 55 seats on committees which matches the strict entitlement of 55 and therefore no manual adjustment is required.
- (ii) The Liberal Democrat Group has notionally been allocated 11 seats on committees which is 1 more than the strict entitlement of 10 and therefore a manual adjustment of -1 is required.
- (iii) The Independent Group has notionally been allocated 11 seats on committees which is 1 less than the strict entitlement of 12 and therefore a manual adjustment of +1 is required.
