(6) **P/17/1321/FP** **SARISBURY**  
**LAND TO THE REAR OF 17 BURRIDGE ROAD BURRIDGE SOUTHAMPTON SO31 1BY**

Further email received from the Agent raising several comments on the content of the Committee Report. Namely the omission of comments from the Planning Strategy team, the salient issues from which have been considered within the Planning Considerations section of the Report.

The other matter relates to the question over whether or not the site is considered previously developed land as part of the garden of 17 Burr ridge Road. Some evidence had been provided by the applicant regarding its use in the past by the owners of 17 Burr ridge Road for camping and growing vegetables, however the site is separated from the main garden area by a post and rail fence and officers do not consider it to fall within the curtilage of the developed land. Even if it were considered as a brownfield site, officers do not consider that this would change the overall consideration of its conflict with the NPPF and relevant policies of the development plan.

One additional letter of support from the occupiers of 17 Burr ridge Road has been received, together with a petition with 27no. signatories supporting the application.

(7) **P/17/1390/FP** **SARISBURY**  
**WILLOWS END 312 OLD SWANWICK LANE LOWER SWANWICK SOUTHAMPTON SO31 7GS**

For clarification the proposal has been amended since submission and the external bin collection point has been removed from the scheme. The bins would be stored within the internal bin store and arrangements would be made for private refuse collection. Any reference to a bin collection point within the report should be disregarded.
