

FAREHAM

BOROUGH COUNCIL

Record of Executive Decision

Wednesday, 19 December 2012

Portfolio	Strategic Planning and Environment
Subject:	Award of SE7 Framework Contract - Footpath Improvements, north side of West Street, Fareham
Report of:	Director of Planning & Environment
Strategy/Policy:	Protecting and enhancing the environment
Corporate Objectives:	Maintain and Extend Prosperity

Purpose:

To notify the Executive Member for Strategic Planning and Environment that Hampshire County Council are intending to award a contract for implementation of the above improvement scheme, having obtained tenders via the SE7 Framework Contract, and to approve the release of previously allocated Fareham Borough Council funding.

Following Executive approval of a footpath improvement scheme at the north side of West Street, Fareham in March 2012, the scheme has been amended following public consultation, detailed drawings have been prepared, tenders have been obtained through the SE7 Framework Agreement and Hampshire County Council is now in a position to award a contract for implementation of the improvements.

Options Considered:

As recommendation.

Decision:

That the agreed budget of £100,000 is released and payments made monthly to Hampshire County Council during scheme implementation up to a maximum of £100,000. The total estimated cost of the scheme is £126,400 and the difference above £100,000 will be made up with a contribution from the Hampshire County Council Quality of Place budget.

Reason:

Because Hampshire County Council procured the works, on behalf of Fareham Borough Council, through the SE7 Framework Agreement.

Confirmed as a true record:
