The petition relates to a proposed Experimental TRO (Traffic Regulation Order) for South Street, Titchfield that will be considered by the Executive Member for Public Protection as an Individual Member Decision. The Panel is invited to refer the petition to the Executive Member to take into account.

The Panel is also informed of another petition with 147 signatures entitled "OBJECTION PETITION First Bus Route 4A Southampton/Warsash/Fareham" "We the undersigned Residents of Titchfield do feel that the proposed closure of that part of the route that runs along South Street, in Titchfield Village, will be detrimental to the residents of Coach Hill, Bellfield, South St. and Bridge St. areas, to name just a few. No Bus Service in these areas will mean the Elderly and the Infirm will be trapped in their own homes as no other form of Public Transport is available. We urge all those concerned to retain this valuable service."

This petition was forwarded to the bus operator and to Hampshire County Council. It will also be taken into account by the Executive Member for Public Protection.

A special Titchfield CAT (Community Action Team) meeting was held on Tuesday 25 February 2014 to discuss proposals for an Experimental Traffic Regulation Order for South Street to resolve issues associated with the 4A local bus service.
