Portfolio	Executive Leader
Subject:	Award of Contract for the Design and Construction of an Innovation Centre at Daedalus
Report of:	Head of Regeneration
Strategy/Policy:	Corporate Strategy
Corporate Objectives:	Maintain and Extend Prosperity

Purpose:

To award a contract for the design and construction of an Innovation Centre at Daedalus.

The Council has agreed to construct an Innovation Centre as part of a wider investment package at Daedalus.

Following a competitive procurement exercise, using the IESE (Improvement and Efficiency South East) national procurement framework, 3 contractors were shortlisted and evaluated based on their tender submission. Using the pre-agreed evaluation criteria, and following an interview process on 18th November 2013, the interview panel concluded that it was able to make a recommendation for the award of contract.

Options Considered:

The meeting of the Daedalus Investment Project Member Working Group held on 26 November 2013, considered the report and supported the recommendation.
As recommendation.

Decision:

That the contract for the design and construction of an Innovation Centre at Daedalus is awarded to the contractor achieving the highest evaluation score, as detailed in the report.

Reason:

To enable the project to be delivered in accordance with the timescales agreed.

Confirmed as a true record:
