- Building Regulations
- Enforcement
- Inspections
- Dangerous Structures
- Advice
- Regularisation Service - works carried out without prior approval
- Emergency Planning - assistance due to specialist knowledge on fire and structure safety.

The Head of Building Control also explained to members about how the Partnership is run, how the finances, legal agreements and shared services such as ICT and printing are managed and how this is a very successful relationship, transpiring into an excellent service with a great reputation.

Members enquired about the income for the partnership and how this is used. The Head of Building Services explained that any surplus funds are invested into the service which has led to the BCP becoming a paperless office due to the purchase of the latest ICT equipment.

The Panel were informed that two other authorities; East Hants District Council and Havant Borough Council have both formally requested to join the partnership and discussions are currently taking place with the relevant parties.

It was AGREED that, the Head of Building Control be thanked for his informative presentation.

The Panel considered a report by the Director of Planning and Regulation which reviews the Panel's work programme for 2016/17 and gave initial consideration to the work programme for the next municipal year 2017/18.

The Chairman invited members to put ideas forward for next year's Work Programme. The following suggestions were proposed:-

- a presentation by Hampshire County Council on the South Hampshire Road Traffic Model and it's use in relation to advising on planning applications; and
- a briefing on the Housing White Paper explaining its potential impact to the current planning processes.

The Director of Planning and Regulation agreed that both items would be added to the draft work programme for next year, that the Panel will consider at the next meeting on the 28 February 2017.

It was AGREED that the Panel:-

BOROUGH COUNCIL

## Report to Planning and Development Policy Development and Review Panel

**Date**                    **28 February 2017**

**Report of:**            **Director of Planning and Regulation**

**Subject:**              **FINAL REVIEW OF WORK PROGRAMME 2016/17 AND DRAFT  
WORK PROGRAMME 2017/18**

### **SUMMARY**

At the last meeting of the Panel on 10 January 2017, members reviewed the existing work programme for 2016/17 and also considered the draft work programme for 2017/18. The Panel is now invited to further review the work programme for the current year and finalise a draft work programme for 2017/18.

### **RECOMMENDATION**

Members are now asked to:-

- (a) review the Panel's work programme for the current year 2016/17;
- (b) agree a proposed work programme for 2017/18; and
- (c) submit the proposed work programme for 2017/18 to the Council for endorsement.

## **INTRODUCTION**

1. At the meeting of the Panel on 10 January 2017, members reviewed the 2016/17 work programme and were invited to consider items and review a proposed programme for the next municipal year. This is the last cycle of meetings for this municipal year and the Panel is invited to finalise its review of this year's work and confirm the draft programme for 2017/18.

## **THE CURRENT WORK PROGRAMME FOR 2016/17**

2. Appendix A sets out details of the proposed items for consideration for the remainder of 2016/17, arising from earlier discussions.
3. Appendix B attached to this report contains details of the outcomes from the matters considered at Panel Meetings from May 2016 to January 2017, for members' consideration.
4. As members are aware, the Panel's focus is on 'policy development' and it is suggested that smaller working groups might be allocated with officers on specific subjects. The Panel is also likely to consider reports on a specific subject on more than one occasion during the course of the year as the policy is developed and before final recommendations are made to the Executive.
5. It is also for the Panel to consider whether any review of items under the Council's policy framework will be included in the 2017/18 programme. Appendix C contains a list of plans and strategies currently contained in the Council's policy framework. The list may however be subject to amendment arising from any future changes to the Constitution.
6. Details of the proposed work programme for 2017/18, which members initially considered at the last Panel meeting, are contained in Appendix D.

## **RISK ASSESSMENT**

7. There are no significant risk considerations in relation to this report.

## **CONCLUSION**

8. To summarise, the Panel is now invited to:-
  - (a) review the outcome of the work programme for 2016/17;
  - (b) agree a draft work programme for 2017/18, (having considered the proposed draft set out in Appendix D), which may include any proposed strategy or policy reviews and also any additional items agreed generally by the Panel or put forward by individual members and accepted by the Panel; and
  - (c) submit the work programme for 2017/18 to the Council for approval.
