## 2. MINUTES

RESOLVED that the minutes of the meeting of the Executive held on 03 September 2018 be confirmed and signed as a correct record.

## 3. EXECUTIVE LEADER'S ANNOUNCEMENTS

The Executive Leader announced that in July of this year the Government introduced changes to National Planning Policies and Guidance. It is now consulting on further changes to those changes. As a result, the Council needs to revise its Draft Local Plan, a decision which, regrettably, will cause continuing uncertainty for local communities throughout the Borough.

The Government has made it clear that it wishes to achieve its goal of delivering 300,000 houses per annum nationally. The changes already made to National Planning Policies and Guidance along with those further changes now proposed, will undoubtedly further increase the number of houses the Borough of Fareham will be required to accommodate. This means additional greenfield sites for housing will need to be identified over and above those proposed previously in the Draft Local Plan. To avoid confusion this means the new Draft Plan will build on documents already published in support of the previous Draft Local Plan which remain relevant. There remains ongoing uncertainty over the precise higher number of houses required by the Government, which this Council currently anticipates is unlikely to be resolved until the first quarter of next year.

It is evident from the new National Planning Policies and Guidance that the Government expects local authorities to work together to deliver these higher housing requirements, especially where some authorities are unable to meet these, through developing a joint approach. There will be important strategic issues associated with future growth that affect a number of authorities, such as provision of infrastructure, for which local authorities need to seek a joint approach, carefully balancing all the economic, social and environmental issues. The Partnership for Urban South Hampshire (PUSH) has therefore agreed to work together to produce a Statement of Common Ground on these strategic issues as soon as possible and to start exploring how the authorities could produce an Infrastructure Investment Plan to support future growth.

We are aiming to take a report to the February Executive to update the Council's Local Plan Timetable to reflect the implications of these Government changes. In the meantime, the Council will consult on the issues and options relevant to the progression of our new development strategy in the spring because the number of additional houses now required is potentially character-changing for the Borough. This will be prior to producing a new Draft Local Plan for consultation by the end of next year. Special editions of Fareham Today will promote both stages and be delivered to every home in the Borough.

With the challenge of new and further changes to National Planning Policies and Guidance, the Council intends to take the Local Plan Review through the new Planning and Development Scrutiny Panel and then on to the Executive.

The second condition is that the effect, or likely effect, of the activities—

- a) is, or is likely to be, of a persistent or continuing nature,
- b) is, or is likely to be, such as to make the activities unreasonable, and
- c) justifies the restrictions imposed by the notice”

19. It is proposed that a PSPO is introduced, in accordance with the Act, which will make it an offence to fail to remove dog faeces in any public space within the Borough as well as other dog control measures in specific locations as indicated in Appendix A.
20. For clarity, the Act defines a public space as “any place to which the public or any section of the public has access, on payment or otherwise, as of right or by virtue of express or implied permission”.
21. Before introducing a PSPO the Council is required to carry out a consultation. It is proposed that an 8-week consultation will be publicised widely through the Council’s website, E-Panel, Twitter, Facebook, press releases to local media and noticeboards. Community groups and dog walking organisations and interest groups will also be consulted.
22. The mandatory consultees include, Chief officer of police, Police and Crime Commissioner, Community representatives, Hampshire County Council, and owners/occupiers of land within the restricted area.
23. Consultation will also be undertaken with dog law and welfare experts such as local vets, animal welfare officers and any organisations affected by the restrictions. The Kennel Club will also be consulted. Where possible, notices will be placed in the locations that will be affected by the restrictions.
24. As part of the consultation, consideration will be given to how any dog walking restrictions being proposed would affect those that rely on assistance dogs, ensuring any prohibition or requirement is compliant with the provisions of Equality Act 2010.
25. Copies of the order will be available in the main reception of the Civic Offices. In addition, the Council plans to publish a notice of its intention to make a PSPO in the local free newspaper, which covers the whole Borough. This is not required by the legislation, but guidance from the Department for Environment, Food & Rural Affairs suggests that this is best practice.
26. Once responses to the consultation have been received and considered the order may be amended and the final proposals will be presented to the Executive for approval in the new year.
27. Whilst a PSPO is in force any existing local byelaws will cease to have effect. A PSPO can only be in effect for a period of up to 3 years; however, that period can be extended for a further 3 years if it continues to be necessary following review during its period of operation.

## **WHAT IS PROPOSED IN THE PSPO?**

### **Fouling and means of pick up**

28. A current PSPO is already in place for both fouling and means to pick up but it is due to expire on 31 March 2019. The proposed new PSPO will again include these two areas.
