BOROUGH COUNCIL

## Minutes of the Health and Public Protection Scrutiny Panel

(to be confirmed at the next meeting)

**Date:** Tuesday, 20 June 2023

**Venue:** Collingwood Room - Civic Offices

**PRESENT:**

**Councillor** M J Ford, JP (Chairman)

**Councillor** (Vice-Chairman)

**Councillors:** Mrs T L Ellis, Miss T G Harper, Mrs J Needham,  
Ms S Pankhurst, Mrs K K Trott and S Ingram (deputising for Mrs  
P M Bryant)

**Also Present:** Councillor Miss J Burton, Executive Member for Health and  
Public Protection for items 7 and 8.

**1. APOLOGIES FOR ABSENCE**

An apology for absence was received from Councillor Mrs P M Bryant.

**2. MINUTES**

RESOLVED that the minutes of the meeting held on 29 March 2023 be confirmed and signed as a correct record.

**3. CHAIRMAN'S ANNOUNCEMENTS**

There were no Chairman's announcements.

**4. DECLARATIONS OF INTEREST AND DISCLOSURES OR ADVICE OR DIRECTIONS**

There were no declarations of interest made at this meeting.

**5. DEPUTATIONS**

There were no deputations made at this meeting.

**6. EXECUTIVE BUSINESS**

**(1) Extension of Coastal Car Parking Charges**

There were no questions or comments for clarification in respect of this item.

**7. SCRUTINY OF PORTCHESTER CREMATORIUM SERVICES**

At the invitation of the Chairman, Councillor Miss J Burton, Executive Member for Health and Public Protection, addressed the Panel on this item.

The Panel received a presentation from representatives of Portchester Crematorium to inform members of the Panel of the ability of the Crematorium to accommodate the needs of a growing population within the Borough of Fareham and beyond.

The presentation covered the governance arrangements of the crematorium, the way it is funded and an overview of its current capacity to deliver services. The presentation also explained how a Development Plan is approved every 2 years which outlines current and future developments based on projected population growth and highlights key challenges and opportunities going forward. A copy of the presentation is attached as Appendix A to these minutes.

In discussing the capacity of the Crematorium to meet future demand, the Panel was assured that based on ONS statistics, which predict future population figures and numbers of deaths, demand for services can continue to be met. Any future changes to ONS projections which take into account the planned development at Welborne Garden Village will be reported to the

Crematorium Joint Committee so that they can be taken into account in the Crematorium's Development Plan. The Panel also noted that the Crematorium's operating permit will allow the current operating hours to be extended should this become necessary.

The Panel discussed the impact that the new cremator burners will have on the environment and noted that whilst it is not possible for the crematorium to achieve carbon neutrality, the new cremators will be used efficiently by maximising capacity at each use and that the Crematorium is exploring other opportunities to offset its carbon footprint such as recycling flowers and ensuring the gardens of remembrance are peat free.

RESOLVED that the Health and Public Protection Scrutiny Panel notes the content of the presentation.

## **8. OPPORTUNITIES PLAN 2023-2027**

At the invitation of the Chairman, Councillor Miss J Burton, Executive Member for Health & Public Protection addressed the Panel on this item.

Councillor Mrs K K Trott left the meeting during this item.

The Panel received a presentation which provided an overview of the way in which the Opportunities Plan has been developed and the significant Year 1 project proposals that relate to the Scrutiny Panel area. A copy of the presentation is attached to these minutes as Appendix B.

Members commented that it would have been useful to have received details of the proposals in advance of the meeting for prior consideration and to consider any further suggestions to put forward for inclusion within the Plan. The Head of Finance and Audit advised that this is a 2 year plan and that any additional ideas put forward can still be considered for inclusion in the Plan.

The following suggestions were put forward for inclusion in the Plan:

- (i) An increase to the charges at Portchester crematorium as the current charges are lower than other local crematoria; recognising that this would need to be a decision of the Joint Committee due to Partnership Arrangements with neighbouring Local Authorities.
- (ii) The Members Allowances Scheme be reviewed to consider whether there are savings that can be made.
- (iii) Services be made more competitive to encourage Welborne developers to use the Council's Building Control Partnership for Building Regulation services rather than private consultants.

RESOLVED that having asked questions, made comments and put forward further proposals for consideration, as outlined above, the Health & Public Protection Scrutiny Panel notes the content of the presentation.

## **9. APPROVAL OF SCOPING REPORT FOR SCRUTINY OF QUEEN ALEXANDRA HOSPITAL SERVICES**

The Panel considered a Draft Scoping report for inclusion in an invitation to Queen Alexandra Hospital to attend a future meeting of the Panel to answer members' questions on the ability of Portsmouth Hospitals University NHS

Trust to manage increasing demand on services from within Fareham and beyond, particularly with the development of Welborne Garden Village over a number of years.

RESOLVED that the Health and Public Protection Scrutiny Panel agrees that the draft Scoping report be included in an invitation to Queen Alexandra Hospital to attend a future meeting of the Panel.

## **10. HEALTH AND PUBLIC PROTECTION SCRUTINY PANEL PRIORITIES**

Members discussed the future scrutiny priorities for the Health and Public Protection Panel and agreed that there were no additional items for inclusion on the Scrutiny Priorities Plan at this time.

(The meeting started at 6.01 pm  
and ended at 7.39 pm).

## BOROUGH COUNCIL

### Health and Public Protection Scrutiny Panel

**Date**                **03 October 2023**

**Subject:**            **EXECUTIVE BUSINESS**

#### **SUMMARY**

One of the key functions of the Scrutiny Panels is to hold the Executive Portfolio Holder and Senior Officers to account in the delivery of the service and the Improvement Actions identified in the Council's Corporate Priorities and Corporate Vision.

Members are therefore invited to consider the items of business that fall under the remit of the Health and Public Protection portfolio and have been dealt with by the Executive since the last meeting of the Panel. This also includes any decisions taken by individual Executive Members.

The relevant notices for decisions taken are attached for consideration.

#### **RECOMMENDATION**

It is recommended that Members consider the items of Business discharged by the Executive since the last meeting of the Panel and make any comments or raise any questions for clarification.

## BOROUGH COUNCIL

2023/24  
Decision No.  
2451

### Record of Decision by Executive Portfolio for Health and Public Protection

Tuesday, 20 June 2023

<b>Portfolio</b>	Health and Public Protection
<b>Subject:</b>	<b>Dog Control Public Spaces Protection Order</b>
<b>Report of:</b>	Director of Leisure and Community
<b>Corporate Priority:</b>	Leisure opportunities for health and fun; Protect and enhance the environment

**Purpose:**

The report sets out the results of the recent Public Spaces Protection Order (PSPO) engagement exercise for an additional dog exclusion zone at Hill Head beach. The report requests consideration by the Executive Member and a decision on the making of an updated Public Places Protection Order (Dog Control).

At the 06 March 2023 Executive meeting a draft PSPO was presented which included an additional seasonal dog exclusion zone at Hill Head beach between the 01 October and 31 March. At the meeting it was agreed that a consultation on the draft Order be conducted.

The consultation ran from 02 May 2023 to 30 May 2023. Overall, the Council received 262 responses of which 195 (74%) were in favour of the proposal. The main theme from those in favour of the proposal focused around ensuring that there would be sufficient enforcement to ensure the exclusion is adhered to, if implemented.

From those who were not in favour of the proposal, the main theme was that there are other bird disturbances at Hill Head beach other than dogs such as people, water sports and boats.

If the draft PSPO, attached at Appendix A to the report, is approved signage will be put in place at the exclusion zone. The signage would be designed by Bird Aware Solent in conjunction with Fareham Borough Council.

The draft PSPO would come into effect on 30 June 2023.

**Options Considered:**

As recommendation.

**Decision:**

RESOLVED that the Executive Member for Health and Public Protection agrees the making of the draft Public Spaces Protection Order attached at Appendix A to the report.

**Reason:**

To allow the introduction of an additional dog exclusion zone at Hill Head beach.

**Confirmed as a true record:**

## BOROUGH COUNCIL

2023/24  
Decision No.  
2454

### Record of Decision by Executive Portfolio for Health and Public Protection

Monday, 3 July 2023

<b>Portfolio</b>	Health and Public Protection
<b>Subject:</b>	<b>Traffic Regulation Order for Extension of Coastal Car Park Cohort - consideration of consultation responses</b>
<b>Report of:</b>	Director of Leisure and Community
<b>Corporate Priority:</b>	Dynamic, prudent and progressive Council; Strong, safe, inclusive and healthy communities

**Purpose:**

The report sets out the results of the recent Traffic Regulation Order (TRO) consultation for the extension of the coastal car park cohort and introduction of charges at Wicor Recreation car park. It requests consideration by the Executive Member and a decision on the adoption of an updated Off-Street Parking Places (Amendment 7) Order 2023.

At the meeting of the Executive on 03 April 2023, it was agreed that Wicor Recreation Ground car park be reclassified as a coastal car park. As a result of a petition with 1,796 signatories being submitted, the decision was further debated at Full Council on 20 April 2023.

In setting the proposed charges, the deputations and comments made during the decision-making process were considered. The following charges were proposed by AFC Portchester and formed the basis of the consultation:

- a. Introduce charges in Wicor Recreation Car Park of £1.10 per hour between 10am-6pm Monday-Friday, £1.10 for one hour, £2.20 for four hours and £4.40 for eight hours between 10am-6pm Saturday-Sunday;
- b. Amend the plan for Wicor Recreation Car Park; and
- c. Include Wicor Recreation Car Park as a Coastal Car Park meaning that a Coastal Car Parks Season Ticket may be used in Wicor Recreation Car Park.

If the Amended Off-Street Parking Places (Amendment 7) Order 2023 is approved, three solar powered pay-and-display machines will be purchased, and signage installed at Wicor Recreation car park to clearly display the charges. The existing pay-by-phone system will be updated to include Wicor Recreation car park.

The Council's website will be updated to ensure that parking information reflects the amended Off-Street Parking Places (Amendment 7) Order 2023. The My Account system and allied correspondence will be updated to include Wicor Recreation car park in the Coastal Season Ticket offer.

It is proposed that charges would come into effect on 01 August 2023.

**Options Considered:**

As recommendation.

**Decision:**

RESOLVED that the Executive Member:

- (a) agrees the adoption of the updated Off-Street Parking Places (Amendment 7) Order 2023 as attached at Appendix A to this report; and
- (b) formally writes to Hampshire County Council as the Highway Authority to request that double yellow lines or other appropriate traffic management strategies, be installed on Cranleigh Road.

**Reason:**

To allow for the reclassification of Wicor Recreation car park as a coastal car park, and the introduction of parking charges.

**Confirmed as a true record:**

Executive Member for Health and Public Protection (Councillor Joanne Burton)

### **Report to the Health and Public Protection Scrutiny Panel**

**Date**                    **03 October 2023**

**Report of:**            **Head of Environmental Health**

**Subject:**              **Proposed Off Street Parking Places (Amendment 8) Order – Osborn Road and Others**

#### **SUMMARY**

On 16 May 2022 the Executive considered a report on the regeneration of Fareham town centre, including works to Fareham Live and Osborn Road multi-storey car park. Since this date, both projects have progressed with Osborn Road multi-storey car park having now received planning permission.

Both Fareham Live and the work at Osborn Road multi-storey car park have an impact on the Council's Off-Street Parking Places Consolidation Order 2017, which will require an Amendment Order.

At its meeting on 9 October 2023, the Executive will be presented with a report setting out recommendations for a proposed Off Street Parking Places (Amendment 8) Order 2023 and next steps. The executive will be asked to agree the proposed recommendations.

#### **RECOMMENDATION**

It is recommended that the Health and Public Protection Scrutiny Panel agree the recommendations being taken forward to the Executive and provide any comments they would like to be considered alongside the report at the meeting of the Executive on 9 October 2023.

**Appendices:** A: Draft Report to the Executive – Proposed Off Street Parking Places (Amendment 8) Order – Osborn Road and Others

### Report to the Executive for Decision 09 October 2023

<b>Portfolio:</b>	Health and Public Protection
<b>Subject:</b>	<b>Proposed Off Street Parking Places (Amendment 8) Order – Osborn Road and Others</b>
<b>Report of:</b>	Head of Environmental Health
<b>Corporate Priorities:</b>	Strong, Safe, Inclusive and Healthy Communities. Dynamic, Prudent and Progressive Council.

**Purpose:**

This report sets out the recommendation for the proposed Off Street Parking Places (Amendment 8) Order 2023 and next steps.

**Executive summary:**

On 16 May 2022 the Executive considered a report on the regeneration of Fareham town centre, including Fareham Live and Osborn Road multi-storey car park. Since this date, both projects have progressed with Osborn Road multi-storey car park having now received planning permission. A report updating on the progress at Osborn Road multi-storey car park was presented to the Executive on 3 July 2023, with a further report presented to the Executive on 18 September 2023.

Both Fareham Live and the work at Osborn Road multi-storey car park have an impact on the Council's Off-Street Parking Places Consolidation Order 2017, which will require an Amendment Order.

This report sets out the options for proposed amendments and asks that the Executive agree to take them forward through the statutory process to inform the public in the form of a four week Draft Off-Street Parking Places (Amendment 8) Order 2023 consultation.

**Recommendation/Recommended Option:**

It is recommended that the Executive:

- (a) agrees the enforcement actions and parking places name changes set out in the conclusion of this report;

- (b) agrees a four-week consultation on the adoption of an Off-Street Parking Places (Amendment 8) Order;
- (c) Delegates the decision on the making of the TRO following the outcome of the consultation to the Executive member for Health and Public Protection; and
- (d) agrees that Traffic Regulation Orders are consolidated under an Off-Street Parking Places Consolidation Order following outcome of the Off-Street Parking Places (Amendment 8) Order consultation.

**Reason:**

To update Off-Street Parking Places Consolidation Order 2017 to support changes following work undertaken as part of the town centre regeneration.

**Cost of proposals:**

The costs of implementing the recommendations in this report are the replacement of signs across all Fareham Live and Wicor Recreation car parks.

Costs associated with the installation of new pay and display machines, at an expected cost of around £6,000 each, at the new surface car park on the former Osborn Road multi-storey site to support enforcement.

## BOROUGH COUNCIL

### Executive Briefing Paper

<b>Date:</b>	09 October 2023
<b>Subject:</b>	Proposed Off Street Parking Places (Amendment 8) Order – Osborn Road and Others
<b>Briefing by:</b>	Head of Environmental Health
<b>Portfolio:</b>	Health and Public Protection

#### INTRODUCTION

1. This report sets out the recommendation for the proposed Off Street Parking Places (Amendment 8) Order 2023 and next steps.

#### BACKGROUND

2. On 16 May 2022 the Executive considered a report on the regeneration of Fareham town centre, including Fareham Live and Osborn Road multi-storey car park. Since this date, both projects have progressed with Osborn Road multi-storey car park having now received planning permission. A report updating on the progress at Osborn Road multi-storey car park was presented to the Executive on 3 July 2023, with a further report presented to the Executive on 18 September 2023.
3. Both Fareham Live and the work at Osborn Road multi-storey car park have an impact on the Council's Off-Street Parking Places Consolidation Order, which will require an Amendment Order.
4. This report sets out the options for amendments and asks that the Executive agree the options to take them forward through the statutory process to inform the public in the form of a four week Draft Off-Street Parking Places (Amendment 8) Order 2023 consultation.

#### OSBORN ROAD CAR PARK

5. *Current Osborn Road Multi-Storey Car Park:* Osborn Road multi storey car park is one of three pay-on-foot car parks in Fareham Town Centre. It is aligned with the town centre (inner) parking tariff (currently £1 per hour Monday – Saturday 8am – 6pm, Sundays and Bank Holidays 10.30am – 4pm). There is a normal parking charge for blue badge holders in Osborn Road multi storey car park, unless they are a Fareham resident with an approved application for access to pay on foot car parks. Work to demolish the current Osborn Road multi-storey car park and replace it with a surface car park is due to be completed in Spring 2024.

6. *Electric Vehicle Charge Points:* The new surface car park on the Osborn Road site will include electric vehicle charge points. To ensure that the facilities are prioritised for electric vehicles, the bays should be enforceable. Marked EV charge point bays in the new car park will be for the use of electric or plug in hybrid vehicles only. To avoid a penalty charge notice, vehicles must be parked fully within the parking bay and connected to a charge point.
7. Vehicles using the Electric Vehicle Charge Points will be required to pay the usual tariff for parking for the duration of their stay, alongside any additional costs for using the electric vehicle charge point.
8. *Additional Amendments:* The existing Osborn Road Multi Storey car park is listed in the Borough of Fareham (Off Street Parking Places) Consolidation Order 2017 as "Multi Storey Car Park Osborn Road". Reference to this car park should be deleted from the Consolidation Order.
9. *Impact of Fareham Live:* Following the redevelopment of Ferneham Hall to Fareham Live, the Borough of Fareham (Off Street Parking Places) Consolidation Order 2017 should be amended to align with the name of the new development. The parking place currently known as Ferneham Hall Car Park should be amended to read Fareham Live Car Park. This includes the car park operationally known as Ferneham Hall (Clinic) Car Park.
10. The new car park on the Osborn Road site will be incorporated as part of the Fareham Live Car Park. The site plan should be amended to reflect the revised footprint for the Fareham Live Car Park to incorporate the existing parking areas as well as the new car park on the Osborn Road site. For operational use, these areas will be zoned as Zone A, Zone B and Zone C. This will ensure that visitors are able to locate parking spaces and meeting points easily.
11. *Enforcement:* Ferneham Hall is included in the Off-Street Parking Places Consolidation Order 2017 under Schedule 3 as a Pay and Display Car Park (Inner). Pay and Display machines will be installed in the new car park on the Osborn Road site to support enforcement.
12. Blue Badge holders can park free in all off-street Fareham Borough Council pay and display car parks (including coastal car parks) by clearly displaying their badge in the parked vehicle, with the valid serial number and expiry date clearly visible. This would mean that all Blue Badge holders are able to park for free within marked bays (excluding EV charge point bays, unless connected to a charge point) in all zones of Fareham Live Car Park.
13. *Tariff Options:* The existing Osborn Road Multi-Storey and Ferneham Hall Car Parks operate a tariff of £1 per hour, Monday – Saturday 8am – 6pm, Sundays and Bank Holidays 10.30am – 4pm.
14. When the car park re-opens as Fareham Live Car Park following completion of the work at the Osborn Road multi-storey car park there is an option to review the current tariff. The new car park on the site of the existing Osborn Road multi-storey will have larger and less restricted parking bays than the current car park, with good access to the shopping centre and Fareham Live. The current Ferneham Hall car park will be refreshed following completion of works at Fareham Live. This would make the Fareham Live car park comparable with Market Quay car park, which is aligned with the

town centre (premium) parking tariff (currently £1.50 per hour Monday – Saturday 8am – 6pm, Sundays and Bank Holidays 10.30am – 4pm). The tariff in Fareham Live car park could reflect this to promote a comparable type of parking use and turnover of spaces and be set at £1.50 per hour Monday – Saturday 8am – 6pm, Sundays and Bank Holidays 10.30am – 4pm.

15. However, to support the Council's commitment to town centre regeneration it is recommended that Fareham Live Car Park continue to operate a tariff of £1 per hour, Monday – Saturday 8am – 6pm, Sundays and Bank Holidays 10.30am – 4pm across all zones when it reopens.
16. *Redesignation of Wicor Recreation Car Park:* Following the redesignation of Wicor Recreation Car Park as a coastal car park under the Off-Street Park Places (Amendment 7) Order 2023, this could be renamed Wicor Car Park. Signage at the car park should be updated to reflect the revised name.

### **CONSOLIDATION**

17. This report outlines recommendations to be made under the Off-Street Parking Places (Amendment 8) Order. To ensure clarity and accessibility of off-street parking enforcement information it is recommended that following the outcome of the Off-Street parking Places (Amendment 8) Order the Traffic Regulation Orders are consolidated under an Off-Street Parking Places Consolidation Order. The previous Off Street Parking Places Consolidation Order was made in 2017.

### **CLIMATE CHANGE CONSIDERATION**

18. To support the Council's commitment to becoming carbon neutral by 2030, the pay-and-display machines used in our coastal car parks are solar powered. If we used the same machines in Osborn Road surface car park, three machines would allow the Council to avoid 8.82 tCO<sub>2</sub>e of Scope 2 emissions i.e., those generated by our use of electricity.
19. To support our residents with the increasing number of electric and plug in hybrid vehicles in the Borough, Osborn Road Surface Car Park will have designated parking bays for electric vehicle chargers.

### **FINANCES**

20. The costs of implementing the recommendations in this report are the replacement of signs across all Fareham Live and Wicor Recreation car parks.
21. There will also be costs associated with the installation of new pay and display machines, at an expected cost of around £6,000 each, at the new surface car park on the former Osborn Road multi-storey site to support enforcement.

### **NEXT STEPS**

22. If the recommendations are agreed, there will be a four-week public consultation on the contents of the proposed Off-Street Parking Places (Amendment 8) Order to run from late October 2023.
23. Responses to the consultation will be analysed and a report taken to the Executive Member for Health and Public Protection to make a delegated decision at a date to be

confirmed in January 2024.

24. If agreed, the Off-Street Parking Places (Amendment 8) Order will be adopted at a date to be confirmed.

## **CONCLUSION**

25. Consultation should be undertaken on a proposed Off-Street Parking Places (Amendment 8) Order to include the following:
- Delete Multi-Storey Car Park Osborn Road Car Park from the Borough Off-Street Parking Places Consolidation Order 2017;
  - Amend the names of the following parking places:
    - Ferneham Hall Car Park to Fareham Live Car Park
    - Wicor Recreation Car Park to Wicor Car Park
  - Amend the plans for Fareham Live Car Park to reflect changes to the site, incorporating the surface car park on the site currently known as Osborn Road Multi Storey;
  - For operational purposes, zone the three areas of Fareham Live Car Park as Zone A, Zone B and Zone C;
  - The current tariff and parking restrictions for Fareham Live Car Park will operate across all three zones, with the use of pay and display machines to support enforcement;
  - Marked EV charge point bays will be for the use of electric or plug in hybrid vehicles only. Vehicles must be parked fully within the parking bay and connected to a charge point; and
  - Usual car parking tariffs apply to vehicles parked in EV charge point bays.
26. Following completion of the Off-Street Parking Places (Amendment 8) Order, the Traffic Regulation Orders should be consolidated under an Off-Street Parking Places Consolidation Order.
