The Committee's attention was drawn to the Update Report which contained the following information:- *Members are advised that planning application P/15/0062/CU, which proposed the change of use of the frontage building, rear garden and a small section of the existing car park to the east from Use Class A3 (restaurant) to C3 (single dwelling house), has been permitted under Officer delegated powers.*

Upon being proposed and seconded the officer recommendation to refuse the application was voted on and CARRIED.

(Voting: 8 in favour; 0 against; 1 abstention)

RESOLVED that PLANNING PERMISSION be REFUSED.

Reasons for Refusal:

The proposed development is contrary to Policy DG4 of the Adopted Fareham Borough Local Plan Review, Policies CS5, CS6 and CS17 of the Adopted Fareham Borough Core Strategy and Policies DSP6 & DSP15 of the Emerging Fareham Borough Local Plan Part 2; Development Sites and Policies, in that:

i) the siting of the development within this historic burgage plot plus the size, scale and design of the proposed dwelling would harm the setting of the Grade II* Listed Building and would fail to preserve or enhance the character and appearance of the High Street Conservation Area;

ii) the proposal fails to identify an adequate number of off-street vehicle car parking spaces to be retained in order to cater for the established lawful restaurant use of No. 68 or to provide a legal mechanism to ensure that; before the development hereby proposed takes place, the use of No. 68 is changed so that the remaining parking space available is appropriate to that use;

iii) in the absence of a financial contribution or a legal agreement to secure such, the proposal would fail to provide satisfactory mitigation of the 'in combination' effects that the proposed net increase in residential units on the

site would cause through increased recreational disturbance on the Solent Coastal Protection Areas.

(6) P/15/0238/OD - 70 TRINITY STREET FAREHAM

The Committee received the deputation referred to in minute 5 above.

A motion was proposed that the application be deferred. The motion was voted on and CARRIED.

(Voting: 9 in favour; 0 against).

RESOLVED that the application be deferred.

Reasons for the Decision: To allow sufficient time for members to review the figures included within the viability appraisal; in order to gain a better understanding of the financial viability of the proposal and how this meets or does not meet the relevant statutory test in relation to the modification and discharge of planning obligations under the Town & Country Planning Act 1990.
