

**APPENDIX A**

**PROGRAMME OF TRAFFIC INVESTIGATIONS**

**Table 1: UPDATE ON TRAFFIC INVESTIGATIONS FOR 2012/13 PROGRAMME**

	<b>INVESTIGATION TITLE</b>	<b>REQUESTED BY/JUSTIFICATION</b>	<b>DETAILS</b>	<b>PROGRESS</b>
1	West Street (Fareham) pedestrian zone order	Issues in respect of parking, cycling and loading	Implemented in March 2012 as experimental TRO completed.	Separate report to this meeting of the Executive
2	Wickham Road Speed limit reduction	Issues raised relating to St Christopher's Hospital development parking and speed of traffic on Wickham Road.	Traffic speed and parking along Wickham Road	Now two separate items for Exec Member Decision, both nearing completion.
3	Verge Parking Zones	HCC guidance is now that each case should be considered on its own merits.	No longer dealt with as zone schemes but each case taken on their own merits.	To be managed as individual considerations as part of TRO programme.

**Table 2: PROPOSED PROGRAMME OF TRAFFIC INVESTIGATIONS FOR 2013/14 PROGRAMME**

	<b>INVESTIGATION TITLE</b>	<b>REQUESTED BY/JUSTIFICATION</b>	<b>DETAILS OF INVESTIGATION</b>	<b>PROGRESS</b>
1	Parking by commercial vehicles in residential streets	Complaints received by many members of the public about loss of amenity and blocking of natural daylight in adjacent houses	Discussions held with HCC, legal services, and other authorities about how this can be addressed	Investigations progressing as to how and if practical this could be dealt with as part of the TRO programme.
