7. ESTATE IMPROVEMENTS PROGRAMME 2013/14

The Board asked for clarification on the reasons why there is scheduled removal of drying areas at various locations. The Tenancy Services Manager explained that the majority of drying areas are redundant and are being removed to prevent the area from being used as a dumping ground and to deter anti-social behaviour. The drying areas will be completely removed and laid to grass, which is hoped will help to improve the appearance of the area.

Issues were also raised concerning a possible previously proposed landscaping scheme at Lower Bellfield and on-going issues with the bin stores at Spencer Court. The Tenancy Services Manager will investigate these issues and report back to the co-opted tenant reps that raised the question.

It was AGREED that the board noted the content of the report and support the schemes identified within the report.

8. TENANCY AGREEMENT

The Board considered a report by the Director of Community concerning a review of the current Tenancy Agreements with a view to making proposals on the way forward for further consideration by the Board (copy of report https://doi.org/10.1007/j.chm/.
