#### Reasons for Refusal

The development would be contrary to Policies CS17, CS18, CS20 of the Adopted Fareham Borough Core Strategy 2011 and Policies DSP13, DSP15, DSP40 of the adopted Local Plan Part 2: Development Sites and Policies Plan and Fareham Borough Design Guidance Supplementary Planning Document (Excluding Welborne) December, 2015: And is unacceptable in that:

- (a) The Council is not satisfied with the proposed future management and maintenance arrangements for the southern part of the site and is not in turn satisfied that all relevant ecological interest would be fully safeguarded;
- (b) In the absence of a legal agreement to secure such, the proposal would fail to provide satisfactory mitigation of the 'in combination' effects that the proposed increase in residential units on the site would cause through increased recreational disturbance on the Solent Coastal Special Protection Areas;
- (c) In the absence of a legal agreement to secure the provision of open space, the ecological enhancement area and associated management and maintenance, the recreational needs of residents and ecological enhancement of the proposed development would not be met;
- (d) In the absence of a legal agreement to secure provision of a financial contribution towards education, the educational needs of residents of the proposed development would not be met;
- (e) Had it not been for the overriding reasons for refusal the Council would have sought to secure on-site affordable housing provision at a level compliant with the adopted local plan.

Note for Information: Had it not been for the overriding reasons for refusal of the proposal, the Local Planning Authority would have sought to address points b – e above through inviting the applicant to enter into a legal agreement with Fareham Borough Council under Section 106 of the Town and Country Planning Act 1990.
