It was AGREED that the Minutes of the Planning and Development Scrutiny Panel held on the 12 March 2019 be confirmed and signed as a correct record.

3. CHAIRMAN'S ANNOUNCEMENTS

The Chairman made the following announcement -

Before we start the meeting, I would just like to run through how things will proceed.

Item 6 on the agenda, on the Housing Delivery Test position, is a report for noting. Officers will present the report along with some supporting slides. Members will then have the opportunity to ask questions for clarification.

Item 7 is giving Members the opportunity to pre-scrutinise the consultation document for the Local Plan – Issues and Options. Any comments will be tabled at the Executive at Monday's meeting.

Officers will take Members through the consultation document at Appendix A, page by page, asking for comments on each heading in turn. Members can recommend any; additions, amendments or deletions to the document and can suggest ideas on the content of the consultation.

At this stage I would also like to stress that it is not the purpose of the Panel to discuss specific development sites. We are asked only for our opinion around the questioning for the potential areas for new growth in the report.

Please avoid making any **comments** on specific development sites or existing planning applications. To do so may result in you being pre-determined and could put at risk your ability to vote on later stages of the Local Plan as it goes through its process of decisions at Council and Planning Committee.

4. DECLARATIONS OF INTEREST AND DISCLOSURES OF ADVICE OR DIRECTIONS

Councillor G Fazackarley declared a personal interest for Item 7, as he works for the First Bus Group.

5. DEPUTATIONS

There were no deputations made at this meeting.

6. CURRENT POSITION ON HOUSING DELIVERY TEST

The Panel considered a report along with supporting slides on the current Housing Delivery Test position delivered by Officers.

Officers took Members of the Panel through the report, clarifying areas in greater detail. Members asked questions for clarification and stressed their concern with how the Council is to meet the ever-increasing housing delivery figures. Officers advised that Central Government are working to encourage all Local Authorities to diversify the products available on the market and this along with a higher level of permissions should assist in increasing delivery rates.

Cllr Kelly queried the figures in Table 1. Officers have checked and cannot find an error.

RESOLVED that the Planning and Development Scrutiny Panel considered the contents of the report for information.
