Fareham Borough  
Council has commissioned  
a landmark sculpture for  
the Daedalus site, called a  
Gate Guardian – and we want you  
to help us choose the final design!

The sculpture, next to the Peel Common  
roundabout, will be a landmark for both  
residents and visitors and will reflect the history  
and legacy of the Daedalus site. It will be in place by  
Summer 2020 and is being paid for by National Grid.
