The Prevention of Crime and Disorder

Public Safety Sleep deprivation to us as it would be nearer midnight after clearing up and drinking up time. We couldn't open windows in home due to noise levels. and if a TEN Licence was issued for potentially up to 7 days per licence up to 15 times per annum. This could be extremely detrimental and distressful as we couldn't use garden the entire summer.

The Prevention of Public Nuisance If the pub garden is to be used until 11pm with or without music/bouncy castle, this causes extra noise levels and surpasses 11pm due to drinking up time and cleaning up time. The later the time, the more drunk people get therefore louder, and using unacceptable bad language. We therefore cannot sit in our garden or open our windows.

The Protection of Children from Harm
Our children cannot go to bed at a reasonable time if the noise level gets too loud with shouting, swearing and music. One child suffers nose bleeds if over heated and has had surgery due to this. therefore must be able to open window in bedroom. Noise carries the later it is. If the noise level is unacceptable mid week this would affect my children's schooling.

I, SAMANTHA HELLYAR....., hereby declare that all information I have submitted is true and correct.
