Reason/s for representation

Under the Licensing Act 2003, for a representation to be relevant it must be one that is about the likely effect of the application on the promotion of the four licensing objectives.

Any representations that are considered to be vexatious or frivolous will not be considered.

Fill in reason/s for your representation in the space provided under each Licensing Objective it relates to.

Drunken behaviour in a pub beer garden until late at night. Loud music late at night.

Public Safety
This will attract more cars than the venue has parking spaces, leading to dangerous parking along the Hunts Pond Road and Netley Road.

The Prevention of Public Nuisance

The Joseph Paxton is in a residential area and their beer garden is surrounded by homes, the occupants of which are entitled to be able to enjoy their own outdoor areas without the intrusion of a live music venue immediacy adjacent to their property.

I work shifts for NATS at the Air Traffic Centre located at Swanwick and I need to be able to have reasonable rest. If, god forbid, there was an air traffic incident due to a mistake of mine related to fatigue I'd be duty bound to report the reason for my fatigue and this would be investigated by Civil Aviation Authorities Air Accident Branch.

If the Joseph Paxton were to be granted this licence it would surely have a negative impact on their neighbours, not least of which will be a reduction in the saleability of their house. I would not have bought this house if it were this closed to a live music venue.

The Protection of Children from Harm

The houses surrounding the pub beer garden are 4 bedroom family houses, I have 2 children living at home who's sleep would be severely disrupted, especially during the warm summer months (when windows need to be open) and exam time if there was live music being played yards away from their bedroom window.

I, Phil O'Brien, hereby declare that all information I have submitted is true and correct.
