Hi we hope that you all keeping well during these difficult times.

We would like to inform you that we are trying to extend our garden hours from 9pm to 11pm as this is having a massive impact on our business with the current pandemic going on.

The garden will not always be open untill 11pm and will be monitored every 30 mins for noise.

Since we have been here we have stopped many things in the pub to try and help with relations with neighbouring houses, However we feel this is something we need to do to try and save our business, if we do have to leave the business i doubt you will get such understanding landlords the next time round.

Please dont hesitate to contact us

Yours Sincerely

David Roseby
