DECISIONS UNDER DELEGATED POWERS

6. PLANNING APPLICATIONS AND MISCELLANEOUS MATTERS INCLUDING AN UPDATE ON PLANNING APPEALS

The Committee noted a report by the Director of Planning and Environment on development control applications and miscellaneous matters, including the current situation regarding planning appeals (copy of report circulated with agenda). An Update Report was tabled at the meeting.

(1) P/13/0144/OA - LAND TO WEST OF 69 BOTLEY ROAD PARK GATE

The Committee received the deputation referred to in minute 5 above.

Upon being proposed and seconded the officer recommendation to refuse the planning application was voted on and CARRIED.
(Voting 6 in favour of refusal; 0 against refusal; 1 abstention)

RESOLVED that planning permission be REFUSED.

Reasons for the decision: The development would be contrary to Policies CS4, CS14, CS17 of the Adopted Fareham Borough Core Strategy 2011,

Saved Policies DG4 and C18 of the Fareham Borough Local Plan Review, and the National Planning Policy Framework and is unacceptable in that: -

- (i) the proposal represents development in the countryside, outside a settlement boundary for which there is no justification or overriding need. Furthermore, the erection of two dwellings would be visually intrusive in this countryside location and would fail to respect the landscape setting;
- (ii) insufficient information has been submitted in respect of the impact of the development on ecology, in particular how the development will impact on biodiversity and potential impacts on protected species. In the absence of this information it is considered that the development would not adequately cater for these species and is therefore unacceptable.

Policies: Approved Fareham Borough Core Strategy: C18 - Protected Species CS5 - Transport Strategy and Infrastructure, CS14 - Development Outside Settlements, CS15 - Sustainable Development and Climate Change, CS16 - Natural Resources and Renewable Energy, CS17 - High Quality Design, CS20 - Infrastructure and Development Contributions, CS21 - Protection and Provision of Open Space. Fareham Borough Local Plan Review: DG4 - Site Characteristics, C18 - Protected Species.

(2) P/13/0145/FP - 10 HUNTS POND ROAD, PARK GATE

The Committee was referred to the Update Report which provided the following information:- *This application has been withdrawn.*

(3) P/14/0260/VC - LAND TO THE REAR OF 256 BRIDGE ROAD, SWANWICK

The Committee was referred to the Update Report which provided the following information: *Amend condition: materials to be agreed rather than as agreed.*

Upon being proposed and seconded the officer recommendation to grant planning permission subject to:-

- (i) the applicant/owner first entering into a deed of variation to amend the planning obligation pursuant to Section 106 of the Town and Country Planning Act 1990 on terms drafted by the Solicitor to the Council to secure an operations management plan as per the previous application by 9 July 2013; and
- (ii) the conditions in the report, with amended wording that materials are to be agreed

was voted on and CARRIED.
(Voting 7 in favour; 0 against)

RESOLVED that subject to:-

- (i) the applicant/owner first entering into a deed of variation to amend the planning obligation pursuant to Section 106 of the Town and Country Planning Act 1990 on terms drafted by the Solicitor to the Council to secure an operations management plan as per the previous application by 9 July 2013; and
- (ii) the conditions in the report, with amended wording that materials are to be agreed

PLANNING PERMISSION be granted.

Reasons for the decision: The development is acceptable taking into account the policies of the Development Plan as set out below. The proposal is not considered likely to result in any significant impact on the amenity of adjoining occupiers, the character of the area, or highway safety. There are no other material considerations that are judged to have sufficient weight to justify a refusal of the application, and where applicable conditions have been applied in order to satisfy these matters. The scheme is therefore judged to be in accordance with Section 38(6) of the Planning and Compulsory Purchase Act 2004 and thus planning permission should therefore be granted.

Policies: Approved Fareham Borough Core Strategy: CS14 - Development Outside Settlements; CS17 - High Quality Design . Fareham Borough Local Plan Review: DG4 - Site Characteristics

(4) P/13/0265/CU - THE GREAT BARN, MILL LANE, TITCHFIELD

The Committee received the deputation referred to in minute 5 above.

Upon being proposed and seconded the officer recommendation to grant planning permission, subject to the conditions in the report, was voted on and CARRIED

(Voting 7 in favour; 0 against).

RESOLVED that, subject to the conditions in the report, PLANNING PERMISSION be granted.

Reasons for the decision: The development is acceptable taking into account the policies and proposals of the Development Plan as set out below. The development would not have unacceptable implications in respect of its effect on the visual appearance or character of the Conservation Area, amenities of neighbours living nearby, highway implications or ecological matters. Other material considerations are not judged to have sufficient weight to justify a refusal of the application, and where applicable conditions have been applied in order to satisfy these matters. The scheme is therefore judged to be in accordance with Section 38(6) of the Planning and Compulsory Purchase Act 2004 and thus planning permission should therefore be granted.

Policies: Approved Fareham Borough Core Strategy: CS14 - Development Outside Settlements; CS17 - High Quality Design; CS22 - Development in Strategic Gaps. Fareham Borough Local Plan Review: DG4 - Site Characteristics; C18 - Protected species.

Reasons for the decision: To enable officers to negotiate with the applicants regarding :-

- (ii) the possibility of providing an alternative separate means of entrance/exit for people attending the veterinary centre/ clinic to those attending the GP surgery; and

Policies: Approved Fareham Borough Core Strategy: CS17 - High Quality Design

(7) P/13/0277/FP - 231 HUNTS POND ROAD TITCHFIELD COMMON

The Committee received the deputation referred to in minute 5 above.

A motion was proposed and seconded that the application be refused and was voted on and CARRIED.

(Voting; 7 in favour of refusal; 0 against refusal).

RESOLVED that planning permission be refused.

Reasons for the Decision: The proposed development is contrary to Policy CS17 of the adopted Fareham Borough Core Strategy and is unacceptable in that by virtue of its excessive height, bulk and proximity to the north-east and south-east boundaries the proposed outbuilding would result in an overbearing and unneighbourly form of development unacceptably reducing the level of outlook available from and light available to the neighbouring properties to the detriment of the amenities of the occupants of those properties (Nos. 24 & 26 Fragorum Fields).

Policies: Approved Fareham Borough Core Strategy: CS17-High Quality Design

(8) P/13/0314/FP - MINAFON, BROOK AVENUE, WARSASH

Reasons for the decision: The development is acceptable taking into account the policies and proposals of the Development Plan as set out below. The proposal would not have an adverse effect on the landscape character, appearance or function of the countryside, would not physically or visually diminish the local gap, nor would it detract from the residential amenity of neighbours. The design and appearance of the replacement house is considered acceptable and ecological matters have been satisfactorily identified and appropriate measures secured. Other material considerations are not judged to have sufficient weight to justify a refusal of the application, and where applicable conditions have been applied in order to satisfy these matters. The scheme is therefore judged to be in accordance with Section 38(6) of the Planning and Compulsory Purchase Act 2004 and thus planning permission should therefore be granted.
