Executive Briefing Paper

Date:	04 January 2021
Subject:	Fees and Charges 2021/22
Briefing by:	Deputy Chief Executive Officer
Portfolio:	Policy and Resources

INTRODUCTION

1. The Council levies Fees and Charges for a number of services it provides. This is an important source of funding for Council services and therefore contributes to the budget setting process. As Government funding continues to reduce, Councils are expected to adopt a more commercial approach to their fees and charges income streams.
2. This report therefore provides an update following the latest annual review of the Council's fee and charges and makes proposals for increasing current charges and also implementing new charges where opportunities have been identified.

BUDGET SETTING PRINCIPLES

3. The budget setting principles are detailed in the Council's Medium-Term Finance Strategy and the one proposed relating to fees and charges is shown below:
 - Fees and charges to be increased to achieve a realistic increase in income wherever possible and every effort to be made to identify new sources of income. The proposed charges should be considered alongside those for similar services in neighbouring authorities and, where appropriate, the charges levied by private sector providers.
4. During the previous financial year the Opportunities Team have been working with services to review fees and charges after analysing what other authorities in Hampshire are charging and looking at areas where these authorities charge and Fareham doesn't currently charge.

CHANGES PROPOSED FOR 2021/22

5. There have been a number of changes to fees and charges which are detailed in the following paragraphs. The full booklet of fees and charges is attached as Appendix A.

Statutory Fees

6. Many of the charges that are used by the council will be statutory charges and as

such the council has no control over the setting of these charges.

Discretionary Charges where No increase is Proposed

7. There are some charges where there is no increase proposed that are at the discretion of the council. Many of these, such as Fareham Town Centre Charges have not been increased as it is believed that higher charges would be detrimental to the service or its users.
8. Car parking charges have not been increased since October 2010 and there is no proposal to increase them for 2021/22 as it is again likely to impact on service users when there is already reduced use of car parking facilities in the town centre.

New or Increasing Charges

9. The proposed changes to **Beach Hut charges** would be an increase of 5% over the current charge and reflect the decision made by the Executive in January 2020.
10. In the **Parking Charges** area there are the new charges for parking in coastal areas as agreed by the Executive in September. The season ticket proposals are subject to a separate report on this agenda and will be incorporated in the charges book once the decision has been made.
11. There is a change to the charges for the **Market Pitches** which is reflective of the current arrangements in relation to charges in that area.
12. In most other cases, an increase is proposed in line with the policy.

Fees that Fall under the Responsibility of Other Committees

13. Charges for the Licensing and Regulatory Committee and Planning Committee are shown in the appendix just for information as those charges will be agreed by the relevant committees before being approved by Full Council.
14. Charges for some Housing Services are also shown in the appendix for information as these are approved through the Housing Revenue Account report.

Additional Reviews in Progress

15. There are a number of services where additional analysis is being done to determine the level of charges for future years and where other opportunities may exist. These include cemeteries, garden waste service, car parks, trade waste and sports pitches.

FINANCIAL IMPLICATIONS

16. Fees and charges generate just under £4 million of income for the council so it is important that the charges are reviewed regularly and provide value for money for users of the services.

Fees and Charges 2021/22

FAREHAM
BOROUGH COUNCIL

General Notes

1. Fees and Charges are normally reviewed by the Council on an annual basis to apply for the whole of the Financial Year (1 April to 31 March), but it sometimes proves necessary to amend charges at other times during the year.
2. The charges shown in this book are those which apply from 1 April 2021.
3. VAT where charged will be at the prevailing rate, which is currently 20%.
4. **VALUE ADDED TAX – LETTING OF SPORTS FACILITIES - EXEMPTION**

VAT exemption is available for the provision of a series of lets to Schools, Clubs, Associations or Organisations representing affiliated clubs or constituent associations (such as local league) subject to the following guidelines:

- a. The series consists of 10 or more sessions.
- b. Each session is for the same sport or activity.
- c. Each session is at the same place.
- d. The interval between each session is at least a day and not more than 14 days. Letting for every other Saturday afternoon fulfils this condition but there is no exception for intervals longer than 14 days which arise through closure e.g. for public holidays.
- e. The series must be paid for as a whole, and there is written evidence to that effect.
- f. The person to whom the facilities are let has exclusive use of them during the sessions.
- g. The hirer has no right to amend or cancel a booking

Licensing Act 2003

The service is provided to ensure public safety through the licensing of regulated activities and to ensure that they are undertaken in accordance with the relevant licence conditions.

In addition the Council are the Licensing Authority under the Licensing Act 2003. The Act replaced existing licensing regimes concerning the sale of alcohol, public entertainment, theatres, cinemas and late night refreshment with a unified system of regulation. From February 2005 the Council has dealt with applications for premises and personal licences which took effect in November 2005. From this date the Council took over all the licensing functions some of which such as liquor licensing were previously undertaken by the Magistrates Court.

The Act requires that the Council carries out its various licensing functions so as to promote the following four licensing objectives:-

- The prevention of crime and disorder
- Public Safety
