Record of Decision by Executive

Portfolio	Health & Public Protection
Subject:	Concessionary and Season Ticket options at Coastal Car Parks
Report of:	Director of Leisure and Community
Corporate Priority:	Dynamic, prudent and progressive Council; Strong, safe, inclusive and healthy communities

Purpose:

This report presents an update on the work that has taken place since the meeting of the Executive on 07 September 2020 and provides options for season tickets and concessions within the 9 individual coastal car parks within the Borough, equating to 598 parking spaces.

At the meeting of the Executive on 07 September, the introduction of a charge of £1 per hour up to 6 hours parking in the Council's 9 coastal car parks between 10am and 6pm was agreed.

In addition, a request was made that season ticket and concessionary arrangement options for individual coastal car parks be presented at a future meeting of the Executive, to include an option (in principle) for an £80 season ticket.

These options have been explored by officers, with detailed proposals outlined within the report.

Options Considered:

Councillor Miss S M Bell declared a personal interest in respect of this item of the agenda as she lives in Castle Street near to one of the coastal car parks and also sits on the Board of Trustees of St Mary's Church Parish Hall.

At the invitation of the Executive Leader, Councillors L Keeble, Mrs K Mandry and R H Price, JP addressed the Executive on this item.

As recommendation.

Decision:

RESOLVED that the Executive agrees that:

- (a) season tickets be valid for use in any coastal car park;
- (b) no limit is placed on the number of seasons tickets made available to the public;
- (c) season tickets sold to the public, including beach hut owners, will not be transferable between cars; and
- (d) only recognised coastal organisations such as the Sailing Clubs, Titchfield Haven, the Wheelhouse and St Mary's Church will be able to purchase transferable season tickets.

Reason:

To ensure that beach hut owners, organisations and residents of the Borough that make regular use of the coastal car parks have a choice of parking options, whilst ensuring that parking management and turnover of spaces is not unduly impacted.

Confirmed as a true record:
