YOUR COMMENTS ON THE CASE

Need to keep the land as a green space between Gosport and Fareham. Not enough infrastructure- need a new hospital for all, the residents in Portsmouth, Gosport and Fareham. Need more Doctors, dentists- already waiting 5 weeks for a Doctors appointment in Gosport due to the fact there are no Doctors. Need new schools in the area as there are not enough already and these proposals will bring in more people with children. Too much traffic going in and out of Gosport will cause even more pollution to an already over polluted area.
