#### **YOUR COMMENTS ON THE CASE**

As a resident in Gosport I am very concerned about any proposals for any increase in house building due to current limitations on infrastructure. It already takes a vast amount of time to get to and from work with current levels of population and would strongly opposed any addition to traffic such as will be the result of the proposal case. Please do not allow any more house building in this area. Gosport and Fareham are 2 very distinct communities and we locals would like it to remain that way.
