**Subject:** Newgate Lane appeal

Good morning Helen

As discussed please find photos showing outlook from my garden and roof terrace, it is proposed for several houses to adjoin my low level boundary fence for which we would have multiple windows looking straight into our garden and house. If the inspector is going to visit the site could I please request that he also walks the perimeter of my home to fully understand the impact of the loss of privacy that we would suffer.

Many thanks

Andrew Thomas
