

21 and 21A Bus Service

Cllr Philpott raised an issue on 17th February 2021 in relation to the 21A bus service between Fareham and Hill Head, suggesting that it has been withdrawn from service.

Hampshire County Council Passenger Transport Operations and Infrastructure department have since confirmed that the 21A service was withdrawn following a review of supported services in the Fareham area. The relevant correspondence is enclosed. However, it is confirmed that the bus timetables included at Appendix SOCGT/B and the bus service times set out at paragraph 2.17 to 2.30 of the Statement of Common Ground on Transport are correct at the time of writing. The information included within the Statement of Common Ground on Transport relates only to the 21 bus service.

19th February 2021.

Hi Tony,

Please find attached current timetable and route map. Yes, the 21 is still in operation. The 21a used to go straight to Fareham TC at Longfield Avenue.

Hi Lisa

I hope you're well.

A query has been raised with regard to the existing service operating Newgate Road in terms of the current availability of the 21A service. We understand from the recent timetables that only the 21 service is currently operating, therefore would it please be possible to confirm the current status of the 21A service.

Please don't hesitate to contact myself or Tony to discuss.

Kind regards
Lauren
