**11. HOUSING SCRUTINY PANEL PRIORITIES**

The Panel considered and discussed the Scrutiny Priorities for the Panel.

Members raised concern about the level of service being provided by Housing Associations as they have received some complaints from residents. As the majority of these residents have been nominated to the properties by the Council, it was agreed that this is an area that needs further scrutiny. Therefore a report will be brought to a future meeting of the Panel to outline the responsibilities of social landlords and explain how the delivery of these responsibilities are measured.

RESOLVED that scrutiny of Housing Association services be added to the Priorities for the Panel in the forthcoming Municipal year.

(The meeting started at 6.00 pm  
and ended at 7.15 pm).
