Dear Tim Salter

I have lived at 23 Romsey Avenue (directly opposite the access road that is proposed to serve 225 dwellings) since 1979 and have witnessed the use of the open field for the production of cereals that are subsequently enjoyed by migrating geese and waders. I have also witnessed the movement of school children that walk , scoot and cycle east to Wicor School and west to Cams School.

I would welcome the opportunity to address the Inspector at the forthcoming inquiry in support of Fareham Borough Council's rejection of planning application P/18/1073/FP and clarification of the detailed arrangements that would need to be put in place, to enable my concerns to be accorded weight. Thank you.

Kind regards,

**Robert Tutton**
