**Subject:** RE: Fareham Borough Council - Application Re-Notification: Land to the South of Romsey Avenue

Richard,

## PLANNING CONSULTATION – TREE OFFICER RESPONSE

### **Comments**

The challenge of developing such an arable site will be to ensure there is sufficient new street, open space and garden tree planting and landscaping to provide sustainable, interconnecting green infrastructure throughout the development.

### **Conclusion**

There are no existing arboricultural constraints to developing this site, but a comprehensive tree planting, landscaping and maintenance scheme will be required.

Paul.

Paul Johnston  
Principal Tree Officer
