## BOROUGH COUNCIL

2021/22  
Decision No.  
2306

### Record of Decision by Executive

Monday, 11 October 2021

<b>Portfolio</b>	Housing
<b>Subject:</b>	<b>Local Authority Delivery Phase 2 (LAD2) Funding scheme for energy efficiency measures to Council homes</b>
<b>Report of:</b>	Deputy Chief Executive Officer
<b>Corporate Priority:</b>	Providing Housing Choices

**Purpose:**

To provide an overview of the LAD2 funding opportunity which will improve the energy efficiency of many Council homes.

The second phase of the Local Authority Delivery Scheme (LAD) was launched in spring 2021 and is now open for applications. This funding is aimed at improving the energy efficiency of homes for low-income households. This would typically consist of improvements to insulation or, in some instances, installation of solar panels. The scheme in Fareham is being co-ordinated by the SW Energy Hub and will be delivered by City Energy.

The Council would be required to fund up to £5,000 or 1/3 of the works, per property; LAD2 funding will typically cover the remaining 2/3 of the costs of the improvement measures. A total budget of £150,000 will be incorporated into the HRA capital programme over the next 2-3 financial years to ensure this funding opportunity can be utilised.

This report seeks approval to enter into an appropriate contract with City Energy for works to the Council's social housing stock. Approval is also sought for the funding arrangements, incorporated into the HRA capital programme over the next 2-3 financial years.

**Options Considered:**

As recommendation.

**Decision:**

RESOLVED that the Executive agrees:

- (a) that entering into a contract for the works which facilitate the use of LAD2 funding be delegated to the Deputy Chief Executive Officer; and
- (b) the funding mechanisms to meet the Council's contribution towards the costs of the works.

**Reason:**

To meet the commitments in the Housing Greener Policy and the Fareham Borough Council Climate Change Action Plan.

**Confirmed as a true record:**
