

Report to the Executive for Decision 06 February 2023

Portfolio: Policy and Resources

Subject: Housing Revenue Account 2023/24

Report of: Deputy Chief Executive Officer

Corporate Priorities: Providing Housing Choices

Purpose:

This report seeks Executive approval for the revised budget for the Housing Revenue Account for 2022/23, the base budgets and rent increases for 2023/24.

Executive summary:

The Executive recommended, and the Council approved, in February 2022, the base budget and rent increase for 2022/23, for Housing Revenue Account (HRA) services.

This report sets out some revisions to the Housing Revenue Account revised budget for 2022/23 and base budget for 2023/24 along with the capital programme and financing for the years 2022/23 to 2026/27. The report examines the issues affecting the Housing Revenue Account including rent changes with effect from 1 April 2023.

Council budgets are susceptible to change in the level of expenditure and income caused by factors inside and outside the Council's control. A risk assessment has been carried out to indicate the effect on housing balances of changes in the level of expenditure and income. This can be used to estimate the account balances needed to provide a prudent level of reserves and a working balance.

Recommendation/Recommended Option:

It is recommended that the Executive approves and recommends to the meeting of the Council to be held on 24 February 2023 that:

(a) rents be approved for Council Dwellings as set out in paragraph 21 with effect from 1 April 2023;

- (b) rents for Council garages be increased by 7% with effect from 1 April 2023;
- (c) the revised budget for 2022/23 be approved; and
- (d) the base budget for 2023/24 be approved.

Reason:

To allow the Council to approve the Housing Revenue Account budgets for 2023/24.

Cost of proposals:

As detailed in the report.

Executive Briefing Paper

Date:	06 February 2023
Subject:	Housing Revenue Account 2023/24
Briefing by:	Deputy Chief Executive Officer
Portfolio:	Policy and Resources

INTRODUCTION

- 1. This report brings together the revenue and capital spending plans for the Housing Revenue Account for 2022/23 and 2023/24 for the Executive to consider. On 9 January 2023, the Executive approved the Council's Finance Strategy for 2023/24 and later years. The budget guidelines contained within the Strategy have been used as a basis for the Housing Revenue Account (HRA) spending plans along with the Direction on the Rent Standard 2023 and the Policy Statement on rents for social housing from 1 April 2023.
- 2. Together these have informed revisions to the 2023/24 revenue and capital budgets and those for future financial years as part of Business Planning for the HRA

CAPITAL PROGRAMME

3. The five-year capital programme has been updated and is summarised in the following table. More details of the capital schemes and its financing can be found in Appendix A.

Year	£'000
2022/23	7,292
2023/24	5,706
2024/25	4,351
2025/26	3,990
2026/27	3,800
Total	25,139

- 4. The capital programme was included in the Capital Strategy to be presented for approval at the 6 February 2023 Executive.
- 5. During the current financial year, the major schemes of 2 new social rent houses at Queens Road, Fareham; 16 new sheltered housing flats at Station Road, Portchester; and for 11 houses for Shared Ownership at Stubbington Lane, Stubbington; are underway with completion due in Spring 2023.

- 6. A tender exercise has been completed for nine new affordable shared ownership flats on the former Coldeast Scout Hut site on Montefiore Drive, with work anticipated to start on site in Spring 2023. On 9 January the Executive approved a report updating the funding arrangements to deliver the scheme and the process toward the appointment of contractors.
- 7. Technical work is at an advanced stage for a new house at both Crossfell Walk and Bellfield, with tender exercises anticipated for both schemes in early 2023.
- 8. On 7 March 2022 a report was presented to the Executive on the funding arrangements for the redevelopment of Assheton Court in Portchester, including the demolition of the existing building and a new building comprising of up to 60No. sheltered housing apartments. Technical work has continued on this scheme, with a full planning application being submitted and approved on 14 December 2022. Detailed technical designs will now be produced by the Architect/Engineers. An Employers Agent will be appointed, detailed requirements for the build identified and, when appropriate, the full contractor tender process undertaken. Depending on the availability of potential contractors and the tender process outcomes, construction could start in Summer 2023.
- 9. There are currently two further development sites as set out in the table below. These have been reported to the Executive and approved in principle for further feasibility and preliminary actions to be undertaken before final schemes and the appropriate funding sources are presented for approval.

Site
Wynton Way (Fareham North West)
Menin House regeneration (Fareham North West)

- 10. The financing of the capital programme is from the Major Repairs Reserve, Housing Capital Receipts, Revenue Contributions to Capital Outlay, the Capital Housing Development Fund and 1-4-1 capital receipts from Right to Buy sales and borrowing. The most appropriate form of borrowing will be established by the Council's Finance Team in consultation with the Deputy Chief Executive Officer in order to fund the development schemes at Stubbington Lane, Station Road, the former Scout Hut site, Montefiore Drive, Park Gate and Assheton Court.
- 11. In addition to these internal resources, grant bids of £484,000 have been approved by Homes England in respect of the Stubbington Lane development (£44,000 per shared ownership property) and £172,000 (£86,000 per social rent property) in respect of the Queens Road development. A grant bid for the 9 flats for Shared Ownership flats at the former Coldeast Scout Hut site on Montefiore Drive is in the process of being prepared and will be submitted at the earliest opportunity.
- 12. Future developed design reports will detail estimated cost and funding arrangements along with the process toward the appointment of an appropriate contractor. New build Fareham Housing homes could be funded from a combination of the following:
 - a) Capital Development Fund
 - b) Right to Buy initial receipts and Right to Buy 1-4-1 receipts;
 - c) Other Housing Capital receipts (not combined with Right to Buy 1-4-1 receipts)
 - d) Section 106 monies for the purpose of affordable housing provision; (not combined with Right to Buy 1-4-1 receipts)
 - e) Homes England grant funding (not combined with Right to Buy 1-4-1 receipts); and/or

- f) Additional borrowing on the Housing Revenue Account.
- 13. Although the opportunity for borrowing to enable future development is positive there needs to be caution highlighted. Any additional debt will need to be serviced without undermining the financial stability of the Council's HRA. Careful consideration of the borrowing implications along with flexibility in how the various funding sources are used will be required.

REVENUE BUDGETS

14. The following table summarises the Housing Revenue Account base and revised budgets for 2022/23, and the base budget for 2023/24. A more detailed breakdown is provided in Appendix D.

	Base Budget 2022/23	Revised Budget 2022/23	Base Budget 2023/24
HOUSING REVENUE ACCOUNT	£'000	£'000	£'000
Income	-12,983	-13,374	-14,228
Tenancy Management & Running Costs	3,825	4,472	4,730
Net Interest	1,697	1,630	1,679
Transfer to Debt Repayment Fund	1,140	1,025	1,025
	-6,321	-6,247	-6,794
Revenue Repairs Expenditure	2,818	3,296	3,444
Depreciation set aside into the Major Repairs Reserve	2,826	2,951	3,050
Revenue Contribution to Capital Programme	400	0	300
Transfer to(-)/from HRA Reserve	277	0	0

- 15. The income budget has been increased to reflect proposed increases in rent and service charges. Changes in circumstances and financial stability for some of our tenants continue to impact on rent being paid, and with the impact of the cost of living crisis arrears are increasing through the current financial year. The housing Rent Recovery Officer continues to work closely with customers and reports regularly from the housing management system which will inform an anticipated increase in the bad debt provision for the current financial year. Service Charge actuals have been completed for 2021/22.
- 16. Within Tenancy Management and Running Costs increases have been made for employee costs and for communal heating lighting and cleaning costs.
- 17. The property repairs and maintenance area has seen a further increase in cost and demand. A budget increase for this area is proposed to reflect the employment costs of our building maintenance team as well as higher costs that our suppliers face and that are inevitably passed on to us.
- 18. The Revenue Contribution to Capital programme budget has been reduced as we do not anticipate former council homes being bought back in the current financial year.
- 19. The proposed budgets also include a clear set aside of reserves to repay the £49 million housing debt taken on in 2012 when the government changed the national subsidy scheme to a self-financing scheme. These loans become repayable in 30 to 39 years.
- 20. A summary of all the reserves projected to the end of 2022/23 is set out below:

Reserve	Purpose of Reserve	2021/22 Closing Balance £'000	2022/23 Transfers In £'000	2022/23 Transfers Out £'000	2022/23 Closing Balance £'000
HRA Revenue Reserve	To fund unexpected operating costs	1,210	0	0	1,210
Exceptional Expenditure Reserve	To fund any exceptional demands upon expenditure	1,500	0	0	1,500
Debt Repayment Fund	To repay debt	5,700	1,025	0	6,725
Leaseholder Reserve	To fund major repairs on blocks containing leasehold properties	484	0	0	484
Total Revenue Reser	ves	8,894	1,025	0	9,919
Major Repairs Reserve	To fund capital expenditure on HRA assets	1,993	2,950	3,000	1,943
Housing Capital Development Fund	To fund new developments	545	0	519	26
1:4:1 Receipts	To fund 40% of costs of new acquisitions and Station Road development	1,879	450	612	1,717
Total Reserves		13,311	3,906	3,612	16,305

RENTS

- 21. In November 2022 as part of the Government Autumn Statement it was announced that social housing rent increases would be capped at 7% for 2023/24. A new Direction on the rent standard 2023 has been issued along with an updated Policy statement on rents for social housing from April 2023. This is currently a temporary cap applying from the 1 April 2023 to 31 March 2024. This followed a consultation exercise on limiting rent increases in 2023/24 as the previous Policy Statement on Rents for Social Housing from 1 April 2020 onwards allowed increases of up to CPI + 1 % (using the September rate) amounting to 11.1%. The lower 7% cap balances affordability for tenants with rapidly rising cost and capacity pressures being experienced in the social housing sector and our own service areas.
- 22. Rents for Council garages are not covered by the Government's Direction applying to dwellings, but a similar principle is applied. It is proposed that garage rents for 2023/24 increase by 95p per week in line with that of rent increases.
- 23. Examples of proposed rents, along with a comparison of what the levels would be at 11.1% (CPI+1) can be seen in Appendix B.

FEES AND CHARGES

- 24. The current fees and charges for the HRA and the charges for 2023/24, approved at the 9 January 2023 Executive, are set out in Appendix C.
- 25. The statutory charge is subject to the control and advice of Government. The current level of charge has been set at the maximum allowed.

RISK ASSESSMENT

26. The following list of potential risks indicates that it is essential to preserve the account

balance held for the Housing Revenue Account. Reserves are held so the Council can:

- Continue to manage and maintain homes
- Improve and redevelop estates
- Cover any unexpected expenditure
- Take advantage of new opportunities to meet housing needs
- Repay the debt
- Meet the challenges of any change in Government policy
- 27. Key risks include future changes to the rent policy, an increase in arrears, other increases in void properties and in the cost of repairs, and in utility costs. In particular, if the Government amend their current rent policy so that rents will reduce post 2023/24, this will put further pressure on the HRA finances.

Examples of Potential and Actual Changes	Effect on Expenditure in Year £'000	Effect on Income in Year £'000
Change in rent policy to decrease rents by 1% beyond 2023		125
Loss of income if void rate rises to 5% from 4%		125
Increase of 10% on employees, and supplies and service costs	464	
Increase of 10% in the depreciation charge	300	
Increase on rent arrears by 10%		80
Increase of 20% in cost of responsive repairs	700
