

FAREHAM

BOROUGH COUNCIL

Report to Licensing and Regulatory Affairs Committee

Date 17 September 2013

Report of: Director of Regulatory and Democratic Services

Subject: SIX MONTHLY MONITORING REPORT ON APPLICATIONS
RECEIVED

SUMMARY

This report aims to inform the Committee of the day to day work of the Licensing Team and provide an update as to the ongoing work associated with the Licensing function.

RECOMMENDATION

That the report be noted.

INTRODUCTION

1. The purpose of this report is to inform and update members of the ongoing level and range of licensing work undertaken by the Licensing Team within the Department of Regulatory and Democratic Services.

ALCOHOL, REGULATED ENTERTAINMENT AND LATE NIGHT REFRESHMENT

2. The Licensing Act 2003 came fully into force in November 2005. Prior to this, between 7 February 2005 and 6 August 2005, existing holders of public entertainment licences, late night refreshment house licences, justices' licences and club premises certificates needed to make an application to the Council in order to convert or vary their licences into a new Premises Licence under the new Act. Under the old regime this Authority dealt with about 45 Public Entertainment licences.
3. The Council as the Licensing Authority not only deals with applications for premises or personal licences but also deals with representations that could result in a Licensing Panel Review Hearing in relation to a licensing application, or a hearing in relation to an application or application to vary a licence.
4. The numbers of applications and associated income over the last five financial years can be seen at Appendix A, table 1. It is worth noting that the fees in this area are set by statute and have not been increased since the introduction of the Act in 2005.
5. The current total number of licences are as follows:-

Members' Clubs Certificates	31
Premises Licences (with alcohol)	252

Since the introduction of the licensing Act 2003 (18/03/05):-

Licensing Panels	90
Reviews	9
Taxi Hearings	64

PERSONAL LICENCES

6. Currently there are 1033 Fareham Personal Licence Holders. This licensing regime commenced in November 2005 and these licences last for ten years from the date of their grant. The renewal of the licences will commence in 2015/2016, so from this period onwards these renewals will provide a one-off income boost. The government originally indicated that a proportion of the fee income may be required to contribute towards a national database of personal licence holders. Although around 400 licences were granted on conversion in the first year, there have been around 100 new licences granted in each year since. It is difficult at this stage to project how many licence holders will opt to renew for a second 10 year period. Currently Personal Licences still cost £37. The government has now indicated that the requirement to renew personal licences may be removed.

GAMBLING

7. The Gambling Act 2005 came fully into force in October 2007. This Act created the Gambling Commission and created a new licensing regime to govern the provision of all gambling in Great Britain, other than the National Lottery and spread betting. The Commission is responsible for granting operating and personal licences for commercial gambling operators and personnel working in the industry. It also regulates certain lottery managers and promoters.
8. The numbers of applications and associated income over the last four financial years can be seen at Appendix A, table 2.

PRIVATE HIRE AND HACKNEY CARRIAGE DRIVER AND VEHICLE APPLICATIONS

9. Private Hire and Hackney Carriage Vehicle and Driver applications also involve a number of processes. All of the vehicles renew annually together for 30 April each year; this results in the income often being split over two financial years, hence the variation in numbers. Drivers renew on the anniversary of their badge being granted so there are a number of these each month, together with new applications for vehicles and drivers that are received throughout the year.
10. Regular licensing panels are held to determine drivers' applications e.g. where convictions are presented on the Criminal Records Bureau Check.
11. The numbers of applications and associated income over the last five financial years can be seen at Appendix A, table 3.

ANIMAL LICENSING

12. Under various pieces of legislation, there are a number of licensable activities in relation to animals. These licences are required to protect both animal welfare and public safety.
13. The numbers of applications and associated income over the last five financial years can be seen at Appendix A, table 4.

SKIN PIERCING

14. This Authority has adopted byelaws for the registration of a number of skin piercing activities in relation to both persons carrying out the activities and the premises where they are carried out. These byelaws are adopted under the Local Government (Miscellaneous) Provisions Act 1982. The purpose of this registration process is to control the risk of infection.
15. The numbers of applications and associated income over the last five financial years can be seen at Appendix A, table 5.

RISK ASSESSMENT

16. This area of work generates significant income for the Council. In respect of that income the bulk of it is generated by the Licensing Act and Private Hire and Hackney Carriage Licensing. It should be noted that the Licensing Act fees are statutory and that in respect of Private Hire and Hackney Carriage Licensing the fees must reflect the cost of providing that element of the service.
17. Despite the economic downturn the income being generated in this area is remaining fairly constant.
18. This report details only the main work areas and therefore the total actual income will be higher than the figures shown in Appendix A.

CONCLUSION

19. Appendix A shows the number of applications and income received in relation to the main areas of work. There are many other minor processes which are not shown. It can be seen that the volume of work in these main areas remains fairly constant. In addition, the Committee will be aware that it regularly is required to hold hearings to determine both Licensing Act and Hackney Carriage/Private Hire applications.
