SUMMARY

RECOMMENDATION

That the Statement of Accounts for 2012/13, attached as Appendix A, be approved and published by 30 September 2013.

INTRODUCTION

1. English local authorities are required to prepare a Statement of Accounts by Accounts and Audit Regulations 2011 issued under Section 27 of the Audit Commission Act 1998.
2. Section 66(4) of the Local Government and Housing Act 1989 requires local authorities to adopt proper accounting practices in the preparation and publication of the Statement of Accounts. In order to ensure that local authorities adopt a consistent approach to the preparation of Statements of Accounts, the Chartered Institute of Public Finance and Accountancy (CIPFA) has issued the Code of Practice on Local Authority Accounting 2012. These documents are applicable to the accounts for financial years commencing on or after 1 April 2012.

THE PURPOSE OF THE STATEMENT OF ACCOUNTS

3. The Code is based on approved accounting standards so that an authority's accounts present a "true and fair view" of the financial position and transactions of the authority. It has been prepared on the basis that the purpose of a local authority's published Statement of Accounts is to give electors, members and other interested parties clear information about the authority's finances.
4. Statements of Accounts should reflect a common pattern of presentation, although this does not require them to be in an identical format. One of the main aims of the Code is to narrow the areas of difference and the variety in accounting treatment and thereby to enhance the usefulness of published statements.
5. Interpretation and explanation of the accounts is extremely important and, wherever possible, statements should be written in plain English and technical terms or jargon should be used only sparingly. To facilitate this, the final section of the document is a glossary of terms.
