Date **02 May 2023**

Report of: **Director of Leisure and Community**

Subject: **Corporate Strategy 2023- 2029**

SUMMARY

The Council's Corporate Strategy sets out our Vision and Priorities for the Borough.

Our current Corporate Strategy covers the period 2017 to 2023, so work has been undertaken to prepare a new draft Corporate Strategy for the next six years, 2023-2029.

At its meeting on 15 May 2023, the Executive will be presented with a Report outlining how the new draft Corporate Strategy has been developed and a summary of the updated Vision, Values and Priorities.

The Executive will be asked to approve the draft Corporate Strategy which will then be subject to a period of public consultation before being presented to this Scrutiny Panel again later this year.
