## **Executive summary:**

Regulations require the Council to prepare and formally approve a Capital Strategy. The document for 2024/25 is attached as Appendix A to this report for consideration by the Executive before being submitted to Council for approval.

The Capital Strategy gives a high-level overview of how capital expenditure, capital financing, asset management and treasury management activity contribute to the provision of services along with an overview of how associated risk is managed and the implications for future financial sustainability.

The main highlights in the Capital Strategy are:

- i) The level of capital expenditure estimated for 2024/25 is £16.4 million. The current estimate is that £1.3 million of this will be met by new borrowing.
- ii) A new policy of capitalising officer salary costs that are directly attributable to capital schemes will be considered as part of the total project costs.
- iii) A high-level review of future funding requirements has identified a capital funding requirement of £229 million.
- iv)The Council's investment property portfolio has an estimated value of £70 million.

A separate report proposing the Treasury Management Strategy and Investment Strategy for 2023/24 will be presented at the February meeting of the Executive.
