YOUR COMMENTS ON THE CASE

As a parent of a young person involved with the youth theatre at Titchfield I implore the council to find a way to work with TFT in this matter. The difference the organisation has made to my daughter is incredible in terms of confidence, social skills and general theatrical skills. She has benefited hugely from the organisation and the Arden Theatre enables TFT to help many more local children and young people than they could without it. There must be a way to work together to allow TFT to continue the wonderful work they are doing for the community using the Arden Theatre.
