## **YOUR COMMENTS ON THE CASE**

Titchfield Festival Theatre has changed my daughter's life. My daughter is 12 has Autism, ADHD and Dyslexia so life is not always easy for her. She struggles with fitting in and with self confidence amongst other challenges. She joined the theatre and has found an amazing group who accept her for exactly who she is. Her confidence has grown and her spirit is brighter because of the theatre. She has performed in many productions and hopes to be in many more. As a local resident Titchfield festival theatre brings so much joy not only to those involved but to the thousands of people that watch their productions. I hope that there could be a way that the council could work with the theatre instead of fighting against it as without it, we would be so much worse off and my daughter would be utterly broken hearted.
