YOUR COMMENTS ON THE CASE

Titchfield Festival Theatre provides a unique venue in so much as it has enabled Titchfield Festival Youth Theatre to set up and provide incredible opportunities for the youth of the area. The stages, rehearsal rooms and staff all help to provide a high quality performing arts experience for nearly 400 children. And we are growing. Our waiting list increase every week. With the Arden theatre we have been able to increase our capacity as we know we can offer a performance space that safely accommodates all our young performers. If we lost the Arden we would have to deny young people lessons and performance opportunities. As a teacher, parent and TFYT coordinator I see first hand the impact performing arts have on developing a child's confidence and creativity. Titchfield Festival Theatre really has helped to create something special and to lose the Arden would have a huge detrimental impact TFYT members.
