YOUR COMMENTS ON THE CASE

I moved to the area three years ago, knowing no one. Titchfield Theatre has been a lifeline to me and my family. Through taking my daughter to regular classes, she has had incredible performance experiences in a professional setting that you wouldn't find anywhere else. Not only this, the theatre is the heart of a huge community and has given us the opportunity to make friendships and connections with people we would have never otherwise met. The theatre has an amazing reputation for putting on professional productions for a really reasonable price. If it wasn't TFT my family (and many others) would never have had the opportunity to experience some of the shows we have been able to see here. The staff work tirelessly to benefit the families of the theatre and the local community. In a world where there is so much negativity, I feel it would be a tragedy to close such a vibrant and positive establishment, helping so many and at the detriment of thousands of local families and people.
