YOUR COMMENTS ON THE CASE

We are so fortunate to have TFT within our locality. It offers so much to so many, from the very young to very old. It's been part of the community for such a long time and offers youngsters a chance to experience theatre and perhaps find a passion that stays with them a lifetime. It's self funded and offers a wide range of productions on a frequent basis. I know first hand the sense of belonging and friendship it gives local people and really hope that an agreement can be reached between the council and TFT that enables the theatre to grow and flourish for years to come.
