YOUR COMMENTS ON THE CASE

I believe that the Titchfield Festival Theatre plays a very important role in the diversity of programs available within the borough of Fareham. Children of all ages, along with adults, use this company to further their love of performing arts, on a volunteering level. This generates income for the borough. The quality of the shows is of a high calibre and the number of visitors mirror this. I believe that this venue is crucial to the mental health of actors and viewers there. Children are given the chance to better themselves and gives them a safe ground where they can express themselves.
